

### Legend of the Knight

Since medieval times, the Royal Accolade house has been a school of chivalry. This school has always been with pride, each time of it has a special meaning. The school spans generations. Whereas the later, Justin and Albrecht, the former students demanded that they presented the knight's sword, in an honor of his new kingdom, as a sign of respect and pride. In many occasions, the students have come to the school to receive their knighthood ceremony. Our general, Sir John, always carries out this tradition, as he had for many years to train the entrepreneurs of today, athletic abilities and determination are vital, as well as being taught the lessons for business tomorrow.

Students who are interested to become a knight, the qualities that it requires are as follows: honest as they were in the Middle Ages. Other qualities of knighthood remain unchanged. Truth, honour, courtesy, chastity, strength, skill, knowledge and a sense of responsibility towards the community for the sake of justice. When these qualities have become a part of their personal actions, then will be prepared to accept the title of the knight given as the final preparation for knighthood. Then, they will be ready to accept the charge. So brave, ready, and legal, as soon officially become Knights of Woodlawn.

## Legend of The Knight

Since medieval times, the Knight has represented honor, valor, loyalty, and chivalry. His shining armor was worn with pride. Each piece of it had a symbolic meaning. The golden spurs symbolized diligence; the spear, truth and strength; the helmet suggested modesty. The shield protected the Knight's body, so he in turn used his own body as a shield to protect his lord. The sword represented protection of the helpless. The Knight's charging horse, carrying him to battle, was his tireless and devoted friend. In tournaments, his endurance, athletic ability, and sportsmanship were always evident as he sought to win honors for his favorite lady.

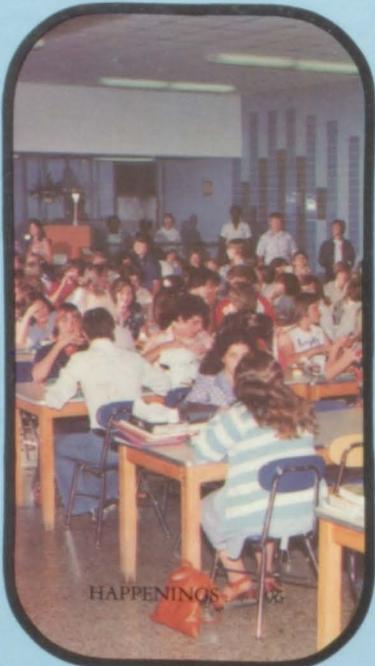

Though formal Knighthood is no longer in existence, the qualities that it represented are as applicable today as they were in the Middle Ages. These objectives of Knighthood—respect for church, truth, bravery, obedience, courtesy, service, sports participation, aid to others, and a quest of knowledge—should be incorporated by the students into their very being. When these things have become a part of their lives and actions, they will be prepared to accept with pride the accolade given as the charge, "Be brave, ready, and lo become Knights of Woodlawn."

Woodlawn's legend and its Twelfth Man tradition has been built through the years with dedicated efforts of students and teachers. As in past years, the journey toward Knighthood continues through academic endeavors, club participation, sports competition, and the everlasting spirit worthy of a Woodlawn Knight.

The Knight's legend evolves around the traditions upheld, the services rendered, and the feeling of pride established within. So appear the qualities of a Woodlawn Knight and the making of Woodlawn High School, a legend in its own time.

The faces in the crowd — administration, athletes, pepsters, and fans alike — all blend together to make the Legend what it is today.

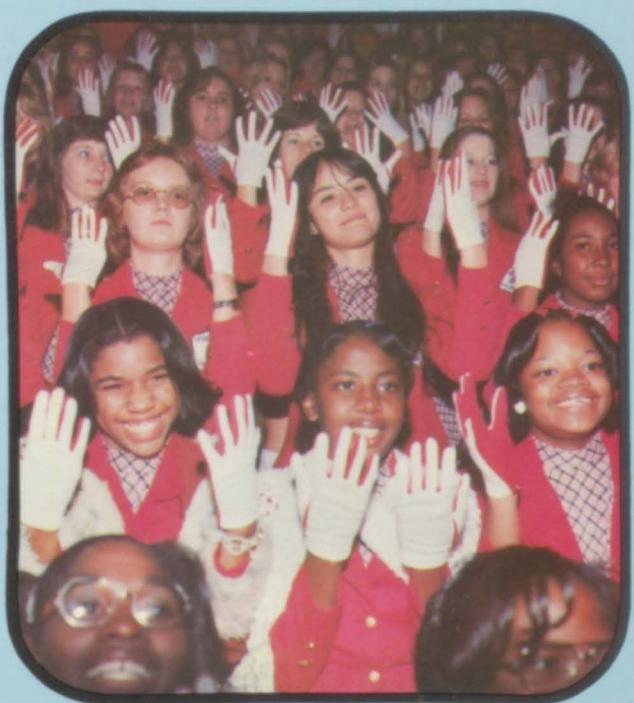

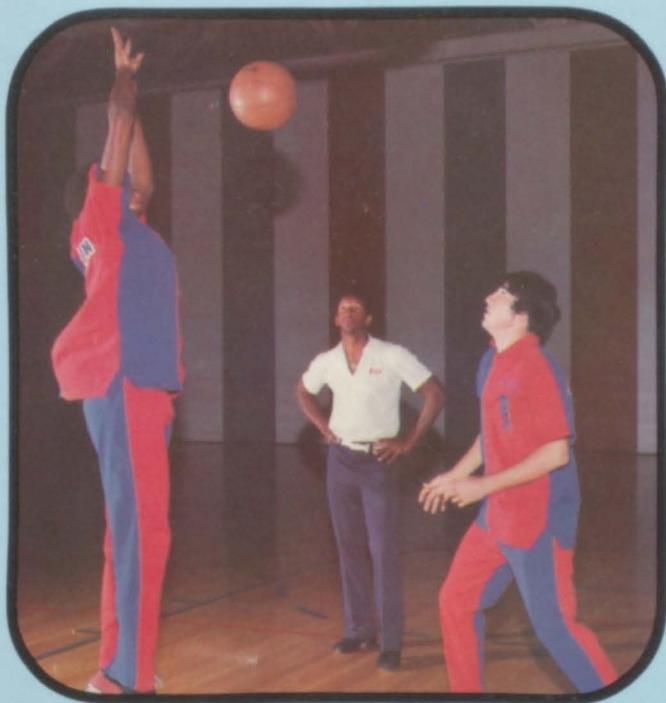

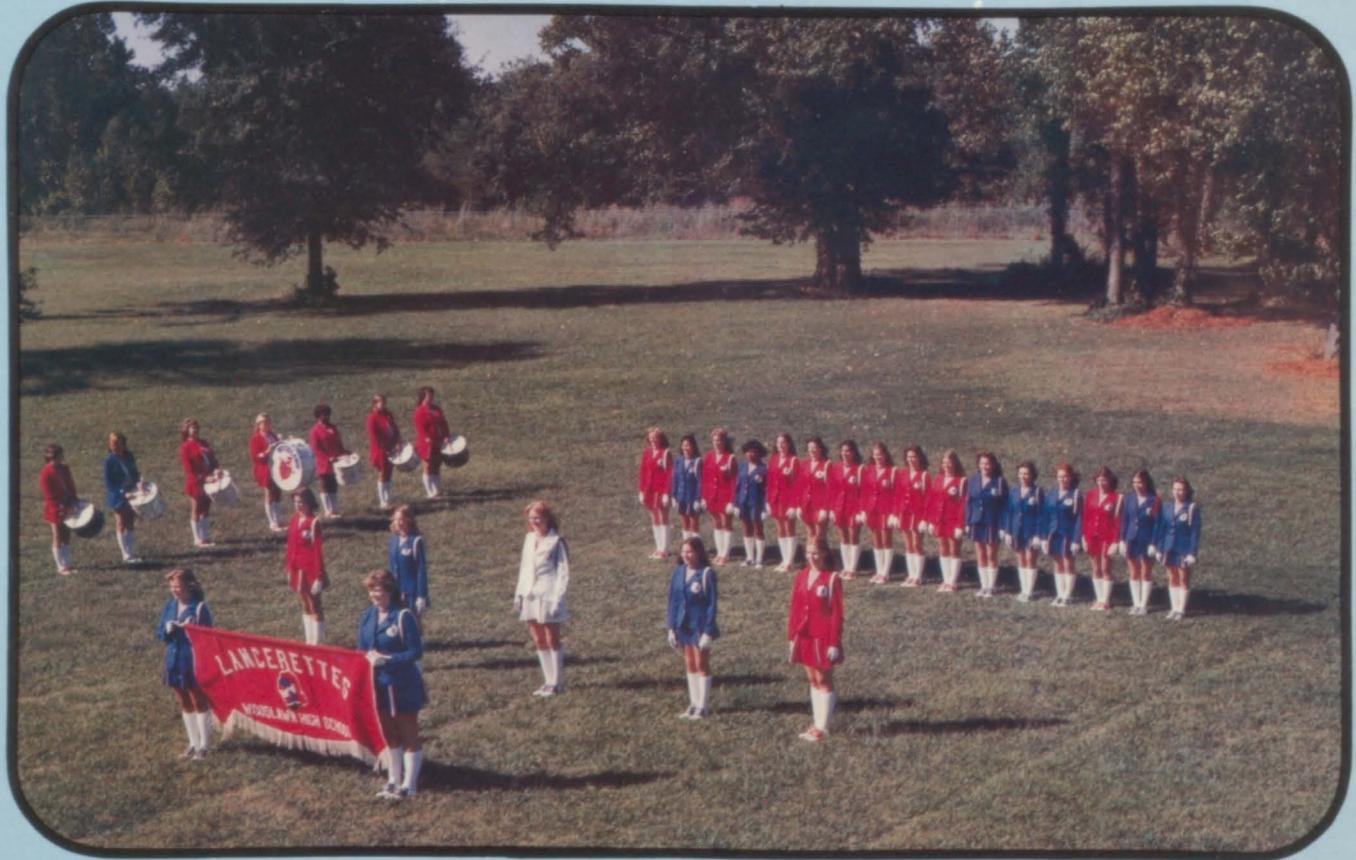

Since medieval times, the Knight has represented honor, valor, loyalty, and Chivalry. His shining armor was worn with pride.

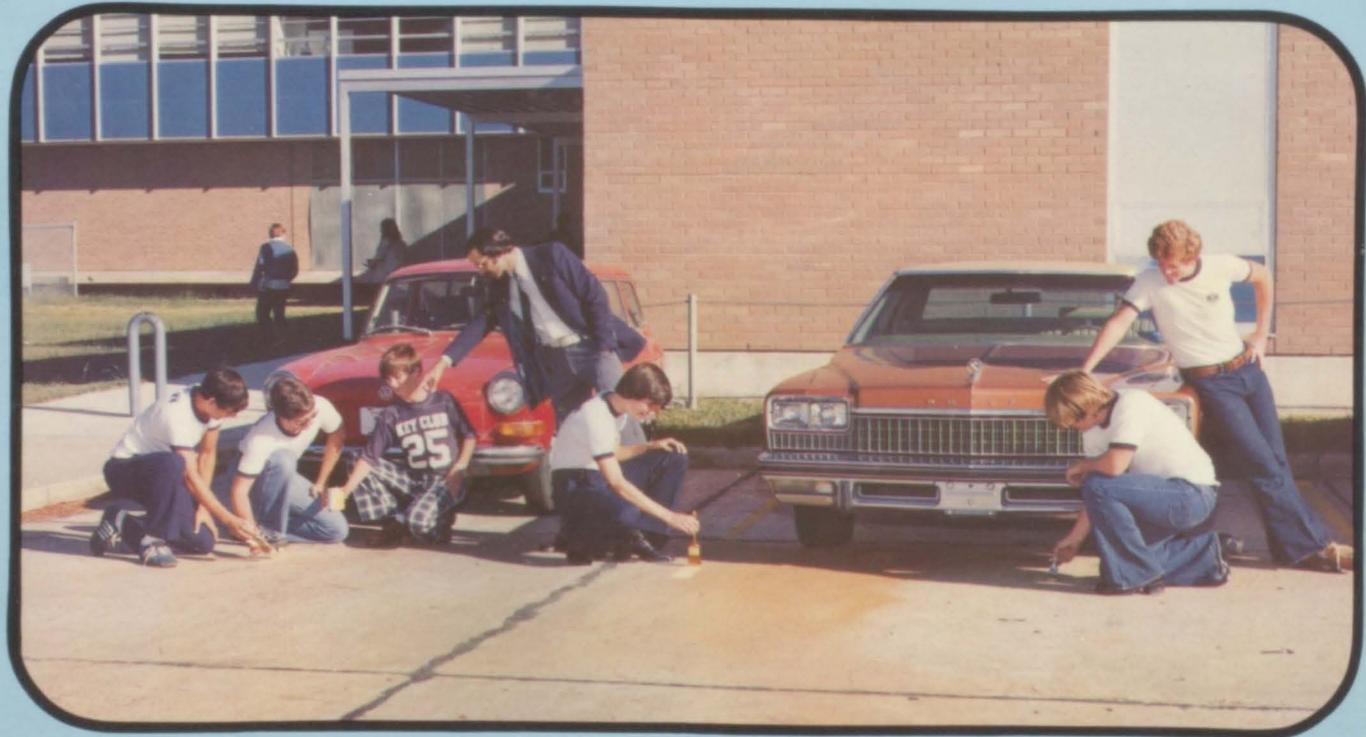

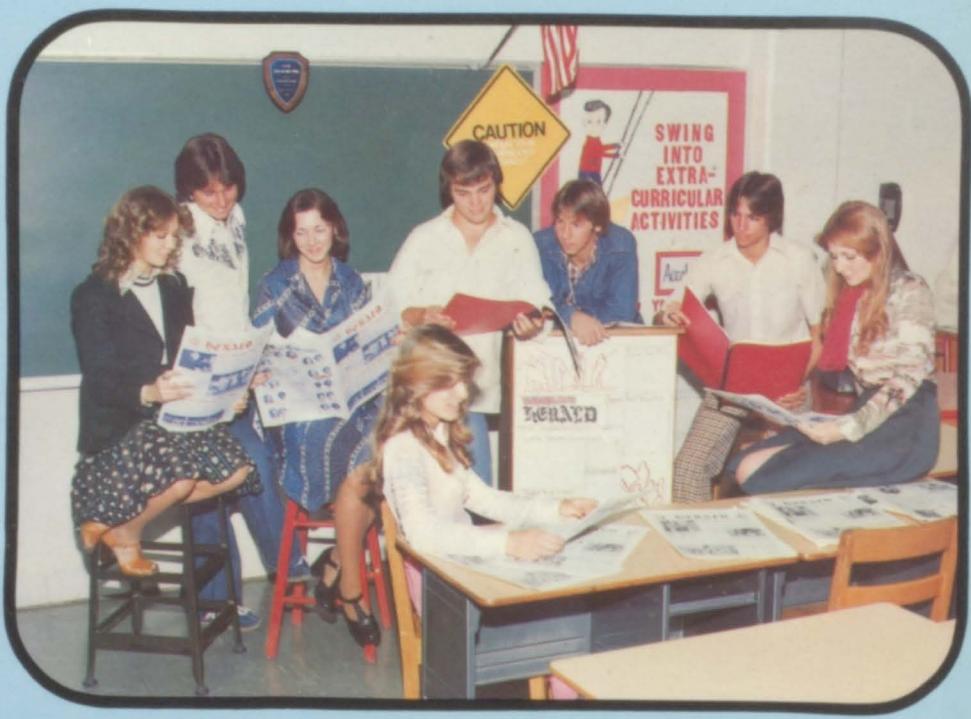

The Knight's charging horse, carrying him to battle, was his tireless and devoted friend. In tournaments, his endurance, athletic ability, and sportsmanship were always evident as he fought to win honors for his favorite lady.

Though formal Knighthood is no longer in existence, the qualities that it represented are as applicable today as they were in the Middle Ages.

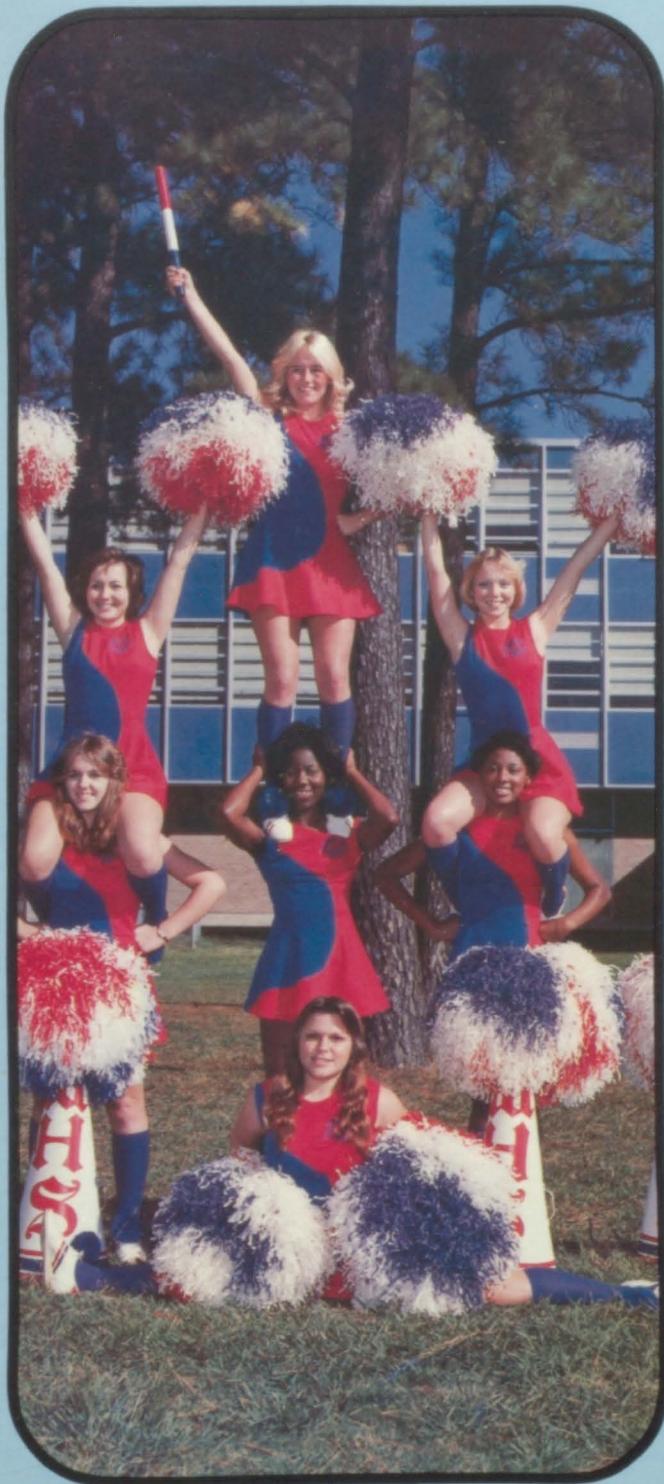

These objectives of Knighthood, respect for church, truth, bravery, obedience, courtesy, service, sports participation, aid to others, and a quest of knowledge – should be incorporated by the students into their very being.

When these things have become a part of their lives and actions, they will be prepared to accept with pride the Accolade given as the final preparation for Knighthood.

# Instruction

 During Woodlawn's seventeen-year history the students of WHS have enjoyed the dedicated guidance of Mrs. Randle Geisler. For the past seven years, Mrs. Geisler has served as senior counselor. Her devotion to Woodlawn and the thousands of Knights who have benefited by her efforts is truly appreciated and will not soon be forgotten.

As a tribute to a job well done, the 1977 ACCOLADE Staff salutes Mrs. Geisler and extends a big "Thank you" for her services to WHS.

## Mr. Cook — Heart of Our Legend

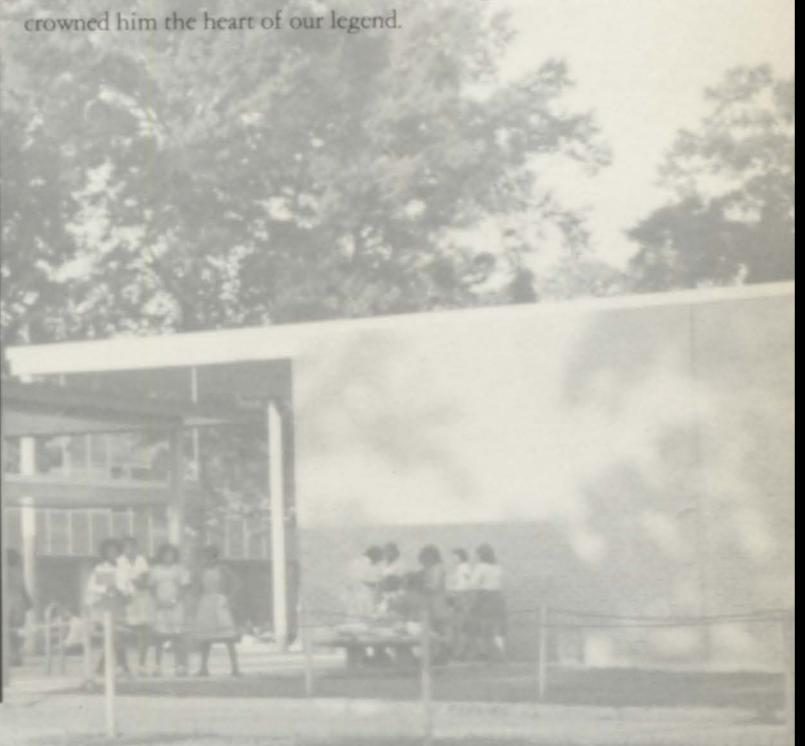

The Legend of the Knight could not continue without the help of a very important person at the Castle, Principal J. W. Cook. By exhibiting bravery, loyalty, and truthfulness, Mr. Cook carries on the tradition of the Knight.

After long hours of supervising the administrative activities at WHS, Mr. Cook enjoyed fishing, playing golf, and camping. He supported the Knights by attending all games and pep rallies and by supervising club activities.

Mr. Cook's continued enthusiasm through the years has crowned him the heart of our legend.

BELOW: Mrs. Mildred Pugh, Assistant Principal in charge of instruction, provided help and assistance to WHS teachers. ### Legend of The Knight

Since medieval times, the knight has represented honor, valor, loyalty, and chivalry. His shining armor was worn with pride, each piece of it had a symbolic meaning. The golden spurs symbolized valiance, the spear, truth and strength; the helmet suggested majesty. The shield protected the knight's body, so he in turn used his own body as a shield to protect his lord. The sword represented protection of the herbs. The knight's charging horse, carrying him to battle, was his friend and loyal friend. In tournaments, his war-axes athletic ability and chivalry were always evident as he sought to win honors for his favorite lady.

Although formal knighthood is no longer in existence, the qualities that it represents are as applicable today as they were in the Middle Ages. These qualities of knighthood, respect for church, truth, bravery, service, courtesy, service, sports participation, and to others, and a quest of knowledge should be incorporated by the students into their lives. When these things have become a part of their lives and actions, they will be prepared to accept with pride the accolade given as the final preparation for knighthood. Then, they will be ready to accept the charge. Be brave, ready, and loyal, as they officially become Knights of Woodlawn.

# Student Council Unites Castle

This year's Student Council was all new, even our sponsor, Mr. Bill Robinson. In spite of this, we worked together, learned a lot, and made it a successful year at the Castle.

In addition to operating the school store with "supplies for all," we supplied students and faculty with parking stickers as well as tickets. Council members also sold candy and Woodlawn Knight jackets. Money from these projects was used to sponsor a bus to Gonzales for the quarterfinal football game.

Council members this year initiated the Student I.D. Card program. With assistance from Mr. Robinson's first period psychology class, pictures were made and cards were processed through each homeroom.

## New Z Club Sponsors Show Leadership

Z Club this year truly exemplified the motto "Growth Through Service" and proved to be an enthusiastic and hard-working group of girls.

Among our service projects we collected for the Disabled American Veterans, ushered at college football games, did volunteer work at the Red River Rebel and the Zonta Antique Show.

Although a service organization, we found time for our Lil and Big Sis's along with initiations and parties. The girls in Z Club made my job as president enjoyable.

# Astra Helps Others Help Themselves

Spreading its fingers in a variety of different projects but reaching for the same goals in order to accomplish something of importance, Astra Club became a helping hand.

The projects, the objects in which the hand has reached, included selling stationery, calendars, and candy; ushering at the Little Theatre and college football games; Christmas caroling at nursing homes; visiting the Guest House creating tray favors for the patients; and collecting for the Heart Fund.

"Helping people help themselves" was the basic goal Astra tried to uphold. We can only hope that we have expressed this through our service to Woodlawn and Shreveport.

## Speech Club Creates Unique Personalities

"It's not whether you win or lose but how you play the game" was the motto of the Speech Club. Although tournament competition was our primary function, much more than trophies and recognition were gained from the program.

Speech Club members acquired a better understanding of drama and debate regardless of the events participated in, and they obtained much self-satisfaction.

Unlike many organizations at the Castle, money was raised to finance the club activities rather than service projects. This year we sold Santa Socks, ushered at a college ballgame, and distributed circulars.

# ACCOLADE Staff Gathers Memories

The 1977 ACCOLADE became a reality only through the devotion and initiative shown by each member of the ACCOLADE Editorial Staff. Equal recognition should be extended to our sponsor, Miss Linda Loper, for her help and concern.

Last summer Northeast Louisiana University in Monroe held a seminar. While there the cover design, theme, picture ideas, and layouts were compiled providing the outline for the year's book. Several staff members attended returning with a trophy for a superior-planned yearbook.

# Accolade Ad Finance, Sell,

Taking care of business details and financing of the '77 yearbook were duties required of the ACCOLADE Ad and Circulation Staff.

To help lower the price of yearbooks for students, the staff sold ads to local businessmen during the summer months. With the assistance of the ACCOLADE Editorial Staff, sales

AIRLINE HIGH

The Football Ad Staff prepared the football programs which were sold at each game. Members were required to sell \$100 worth of ads and work at football games; managers were chosen from the top salesmen who expressed a desire to continue work.

Sponsors this year were Mrs. Robinson, Mrs. Henderson, and Miss Cole. Over the summer the sponsors and managers, Leilani Mullanix, Michele Davis, and I put the programs together. A special program was prepared for the playoff game against Covington. The entire staff has enjoyed what we think has been a successful program.

**Members of the 1976-77 HERALD Editorial Staff were known for outstanding publications of current Castle happenings.**

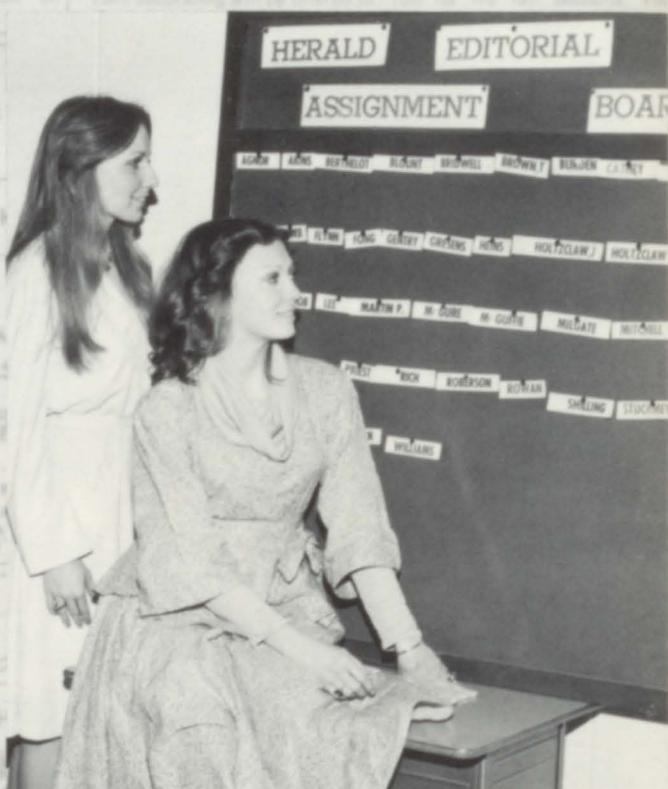

With Carole Henderson, sponsor, the HERALD Editorial Staff was composed of hard-working juniors and seniors who achieved their goal of publishing eight school newspapers.

The HERALD Staff had the distinguished honor of receiving the All-American Award from the National Scholastic Press Association in September and several awards from the LSPA Convention in October.

This year the staff attended the Louisiana Scholastic Press Association Convention at LSU in Baton Rouge and the Southern Interscholastic Press Association Convention in Columbia, South Carolina. The staff also attended Louisiana Tech University and Northwestern State University on "Journalism Day."

# HERALD Ad Staffers — Always on the Go

Selling advertisements and working on layouts for the HERALD kept the business ad staffers busy.

Karen Belcher and I were responsible for the layout of ads as they appeared in each issue of the HERALD. Telesa Mitchell addressed and mailed a copy of the paper to each advertiser. Junior staff artist Rhonda Jones learned the layout techniques

as well as the bookkeeping which was kept this year by JoBeth Whatley.

Sponsor Mrs. Robinson supervised the staff and kept everybody busy and doing their part to help keep the HERALD a winning tradition.

## Y-Teens Promote Leadership

The Y-Teen's purpose, to serve God and others in their community, was carried out through service and worship.

Projects chosen this year included making and delivering a food basket for a needy family at Christmas, visiting local churches as a group, and going to various city-wide events such as the International Tasting Tea at South Park Mall in November. Leadership Training Conference held in January and the Cotillion in April were also important activities for Y-Teens.

To reach a greater understanding of herself and the people around her were the goals of every Y-Teen. Through work and enjoyment these goals have become a reality.

# Student Aids Assist Office Staff

Twenty-one student office workers performed many clerical tasks throughout the school year. Answering the telephone, taking messages, running errands, and filing student locator cards were some of the responsibilities of office workers. They also assisted in checking students in and out of school. Morning workers picked up absentee cards and distributed morning sheets to first period classes.

## German New to WHS Curriculum

In September the Castle gained its first German Club. Under the direction of Mrs. Sigrid Randall, the new club acquired a greater understanding of the German people and their country.

Activities of the club included attending parish-wide German Club meetings and parties held during Oktoberfest and Christmas, delivering a basket of German foods to Brentwood nursing home, and holding a car wash in the spring. The club also challenged other areas German clubs to a soccer tournament.

# Spanish Activities Explore Old Customs

Bake sales, car washes, and the sales of Christmas candles were among the money-raising projects undertaken this year as members of the Spanish Club. These projects were hard work, but the money earned and the fun had was worth the effort put forth by each member.

Through our Christmas party, installation banquet, spring picnics, and poster parties members gained new friendships.

This year for the first time we had Spanish Week which provided an opportunity for us to share with other students what we had learned. During that week Fiesta Day was held in the Learning Center. Students dressed in Spanish costumes and ate Mexican foods. Games and singing highlighted the day.

## Legend of The Knight

Since medieval times, the Knight has represented honor, valor, loyalty and chivalry. His shining armor was worn with pride. Each piece of it had a symbolic meaning. The golden spurs symbolized diligence; the spear, truth and strength; the helmet suggested modesty. The shield protected the Knight's body, so he in turn used his own body as a shield to protect his lord. The sword represented protection of the helpless. The Demon's charging horse, carrying him to battle, was his friend and never's friend. In tournaments, his skill, courage, athletic ability, and sportsmanship were always evident as he fought to win honors for his favorite lady.

Though formal Knighthood is no longer in existence, the qualities that it represents are as applicable today as they were in the Middle Ages. These objectives of Knighthood—respect for church, truth, bravery, obedience, courtesy, service, sportsmanship, aid to others, and a quest of knowledge—should be incorporated by the students into their very being. When these things have become a part of their lives and actions, they will be prepared to accept with pride the accolade given as the final preparation for Knighthood. Then, they will be ready to accept the charge, "Be brave, ready, and loyal," as they officially become Knights of Woodlawn.

Extracurricular activities included the Redcoat Rifle Team, Lancers Drill Team, Chevaliers Drill Team, the Color Guard, the Highland Bagpipe Band, and a new addition, the Orienteering Team.

Highlighting the year was the traditional Spaghetti Supper in November and the Military Ball held at the Officer's Club at Barksdale.

### Legend of The Knight

Since medieval times, the Knight has represented honor, valor, loyalty, and chivalry. His shining armor was worn with pride. Each piece of it had a symbolic meaning. The golden spurs symbolized diligence. The spear, truth and strength; the helmet suggested modesty. The shield protected the Knight's body, so he in turn uses his own body as a shield to protect his lord. The sword represented protection of his herbs. The Knight's charging horse, carrying him to battle, was his tireless and devoted friend. In tournaments, his courage, athletic ability, and sportsmanship were always evident as he fought to win honors for his favorite lady.

Though formal Knighthood is no longer in existence, the qualities that it represented are as applicable today as they were in the Middle Ages. These objectives of Knighthood respect for church, loyalty, bravery, obedience, courtesy, service, sports participation, aid to others, and a quest of knowledge should be incorporated by the students into their own belief. When these things have become a part of their lives and actions, they will be prepared to accept with pride the accolade given as the final preparation for Knighthood. Then, they will be ready to accept the charge, "Be brave, ready, and loyal," as they officially become Knights of Woodlawn.

## NHS Members Work Toward Excellence

Traditionally the Knight strove to achieve honorable goals. As Knights of the Castle, members of the Woodlawn National Honor Society also strove toward high marks of excellence. In addition to maintaining a 3.0 grade average, the students were required to serve their community and display leadership and character. Being a member of the National Honor Society also depended on high recommendation from the students' teachers.

## Quill and Scroll Honors Journalists

In 1961 Woodlawn received its charter to Quill and Scroll, an international honorary society for high school journalists. Woodlawn's chapter of Quill and Scroll was comprised of junior and senior members of the three journalistic staffs at

the Castle. These include the ad staff of the football program and the ad and editorial staffs of the newspaper and yearbook. The annual Quill and Scroll induction ceremony was held in the spring.

# Debators Receive Top Honors

Woodlawn's National Forensic League made outstanding achievements during the 1976-77 school year. Students participating in debate and drama activities were required to have a minimum of twenty-five points to obtain membership in this honorary society. That requirement was greatly surpassed by all

Knights of the NFL.

The National Forensic League honors those students who excel in academics as well as in drama and debate. As a nationally recognized organization, its membership includes many prominent political figures throughout the United States.

The emphasis placed on student leadership at the convention seemed especially appropriate in this Bicentennial election year.

The delegates were elected by the senior class of '77 on the basis of leadership and scholarship abilities, initiative, and personality. Two delegates, Ulim Fong and Gordan Wilson, received awards for outstanding participation in the eight-day convention.

## Cheerleaders Own the Stick

W HS cheerleaders received rewarding benefits from their long hours of summer practice when they were honored with several awards at the SMU summer clinic. The squad earned one outstanding and four superior ribbons and also captured the National Cheerleader Association SPIRIT STICK.

Cheering before the wild and exuberant crowds at all football and basketball games and leading the students at all pep rallies kept the cheerleaders continually on the move promoting the Twelfth Man spirit traditional among Woodlawn High School students.

## "The Tradition"

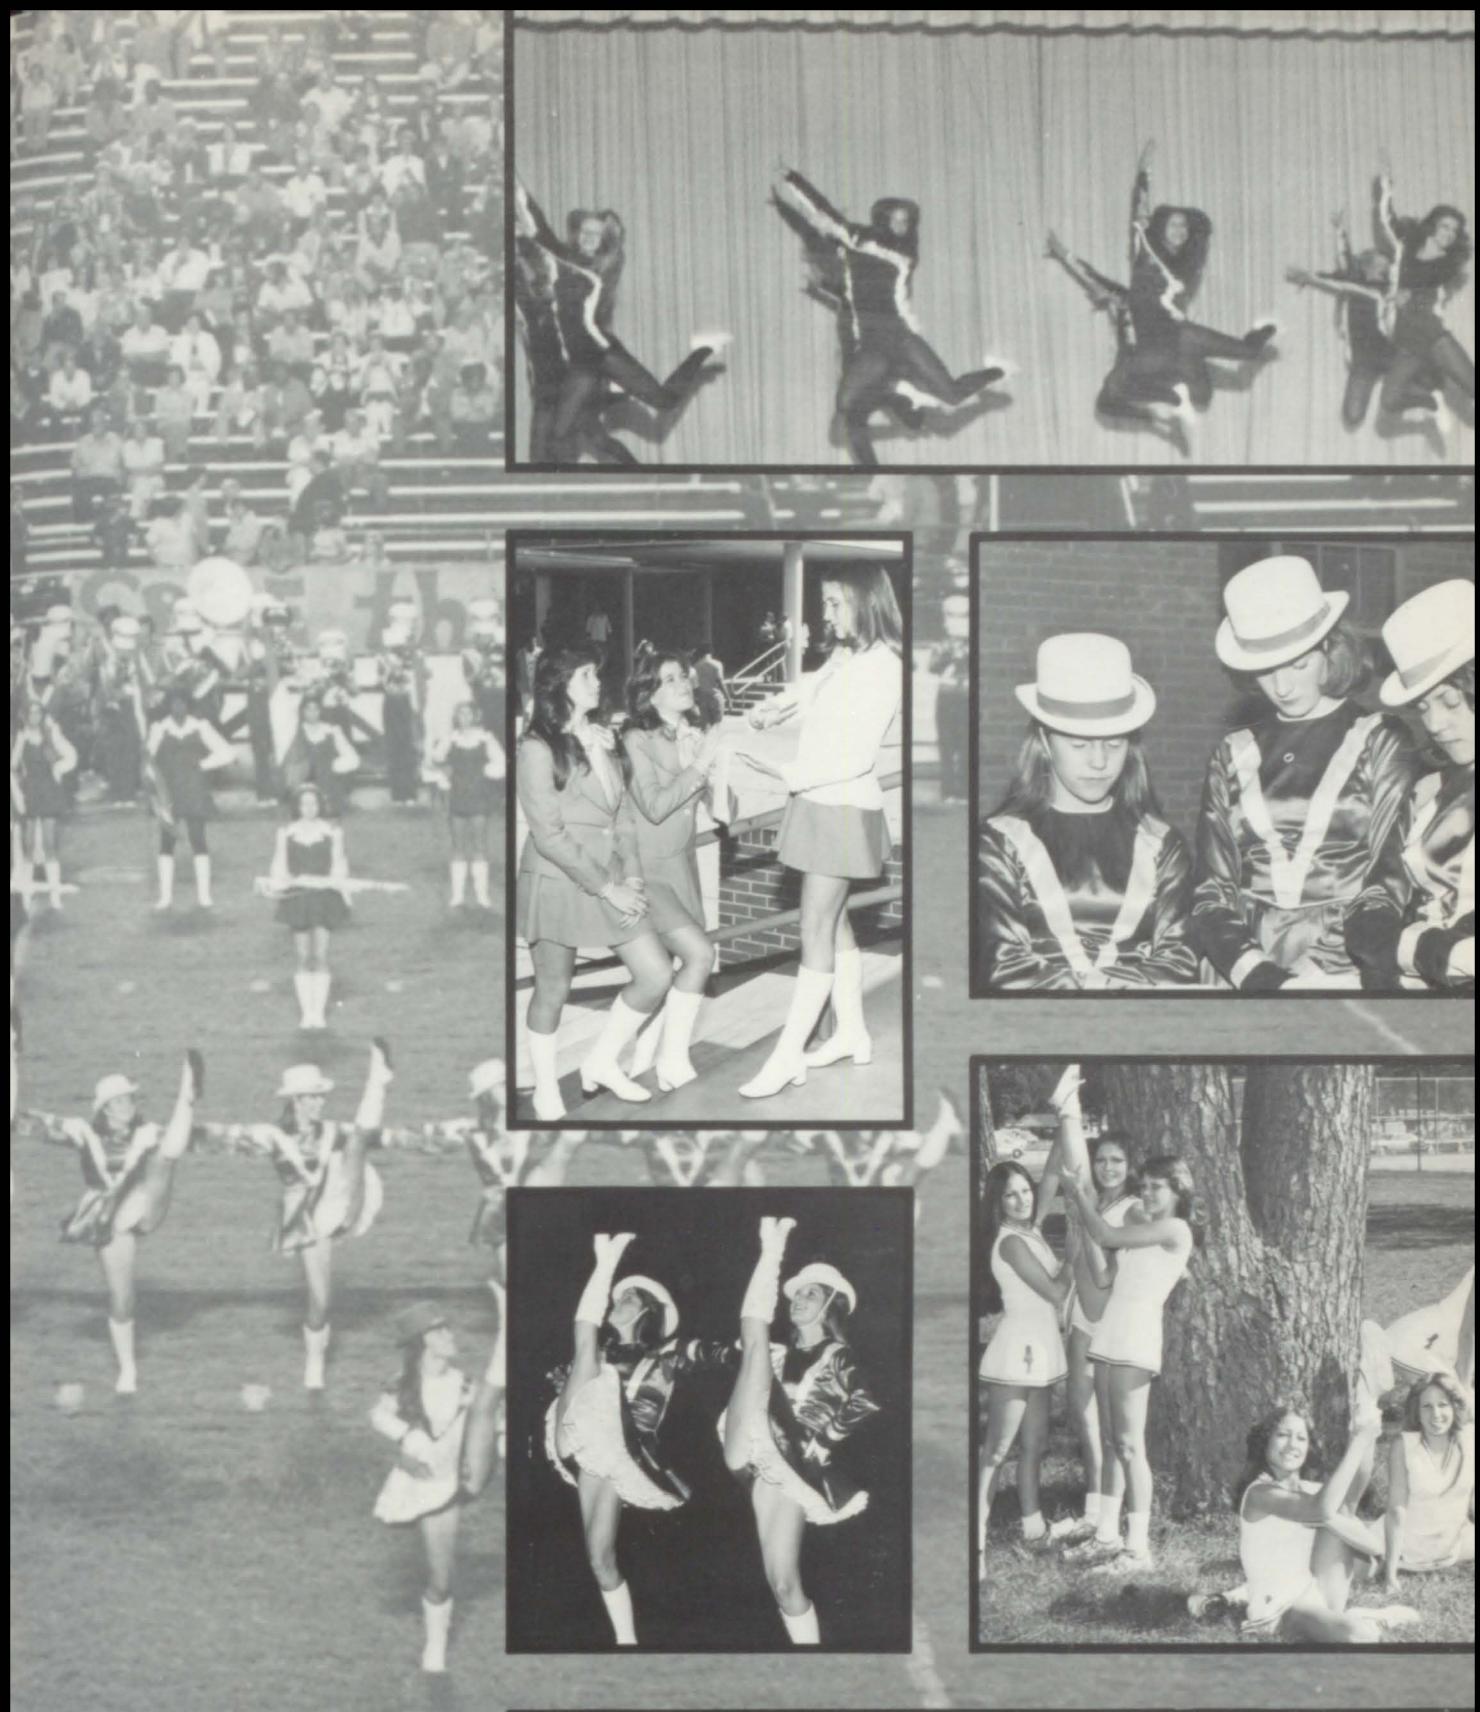

Woodlawn's Red Line, famous throughout Louisiana, strived not only for discipline and perfection but also to exhibit high moral standards of young ladies in today's society.

Red Line's traditional "High kick" is a trademark all their own. Team members tried out weekly for a performance and practiced kicking daily.

The winning spirit, traditional of the Knights, is represented by the red uniform with a white "V" for victory. The red symbolizes the "Big Red" spirit machine, and the royal blue reflects their respect for the past.

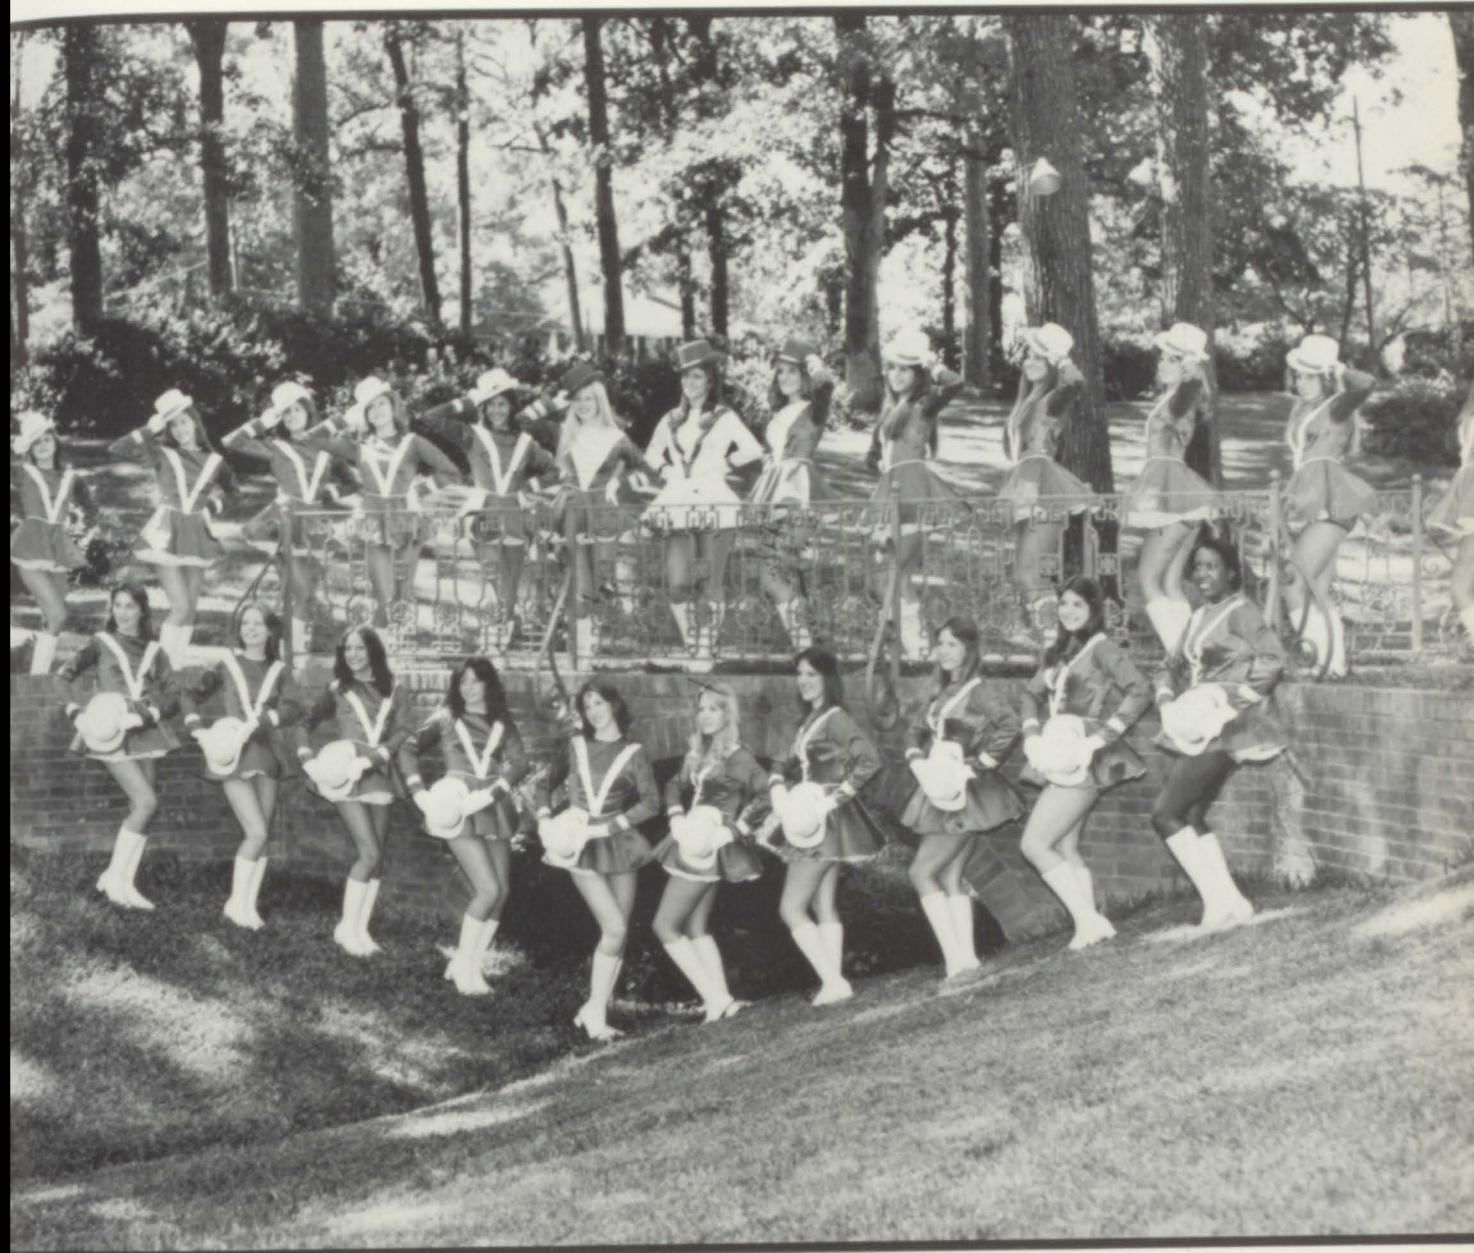

At summer camp Red Line captured first place in marching and second in dancing. In addition to the trophies, the girls received 25 ribbons and five girls were chosen for the All American Drill Team while attending SMU. Leading Ladies also attended La. Tech and brought home another first place.

Woodlawn Lancerette officers continued their winning tradition by taking first place at SMU for the fourth straight year in a row. Mrs. Carolyn Smith returned as sponsor to become, as before, the backbone of the Lancerettes. ## WHS Band Highlights Halftime

Woodlawn High School's band, under the direction of Mr. James Franklin, truly proved to be a highlight during football halftime shows. Richard Stuckmeyer, who served as drum major for WHS, required everyone to devote many long, hard hours of practice in preparation for the shows.

Cindy Bridwell, Michele Davis, and Richard Stuckmeyer received the honor of All-Star Band in Baton Rouge during the summer.

As a new tradition to the WHS band, sweethearts were chosen to participate in the homecoming activities. Each sweetheart was honored by receiving flowers for the homecoming game.

As tradition states, Knights of old stood for determination and spirit. This year's band, though perhaps the smallest in the school's history, proved to be true Knights as they met these standards with each performance.

The shield protected the Knight's body, so he in turn used his own body as a shield to protect his lord. The sword represented protection of the helpless. The Knight's charging horse, carrying him to battle, was his tireless and devoted friend. In tournaments, his courage, athletic ability, and chivalry were always evident as he sought to win honors for his favorite lady.

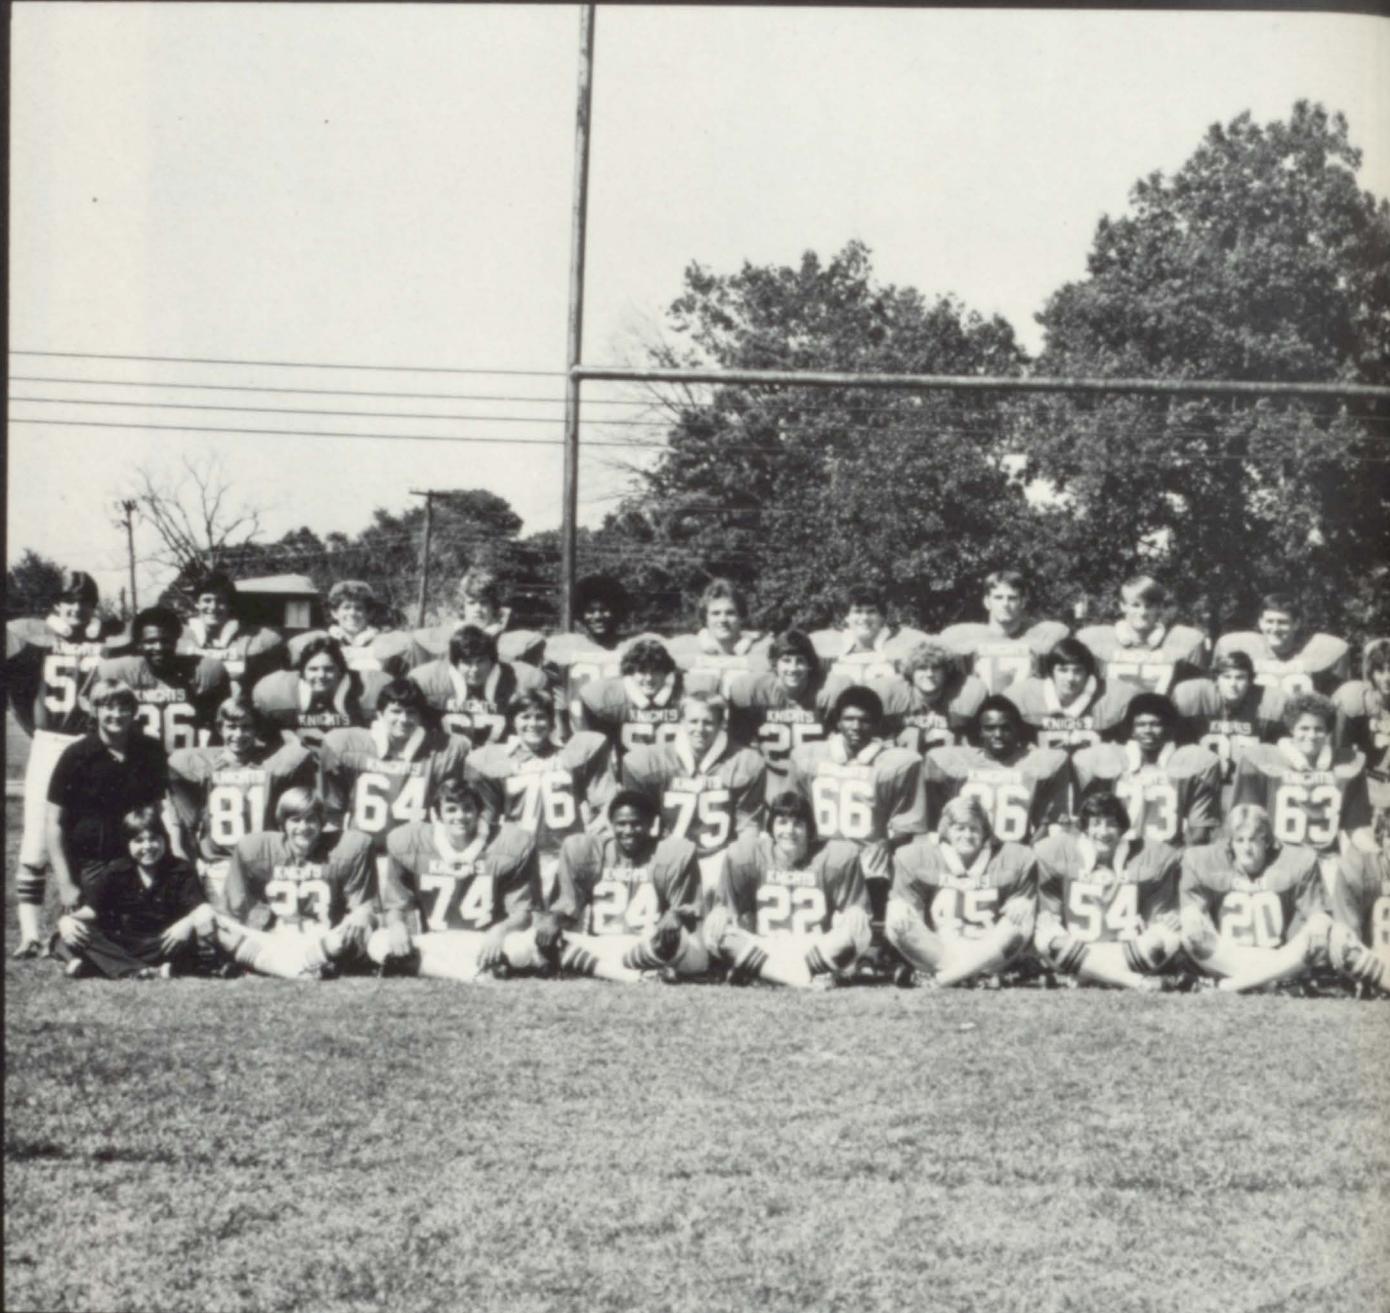

Though formal Knighthood is no longer in existence, the qualities that it represented are as applicable today as they were in the Middle Ages. These objectives of Knighthood—respect for church, truth, bravery, obedience, courtesy, service, sports participation, and courtesy, and a quest of knowledge—should be incorporated by the students into their very being. When these things have become a part of their lives and actions, they will be prepared to accept with pride the accolade given as the final preparation for Knighthood. Then, they will be ready to accept the charge, "Be brave, ready, and loyal," as they officially become Knights of Woodlawn.

## \*PLAYOFFS

The 1976 football season was filled with the thrill of victory and the agony of defeat. Through perseverance this team returned the winning tradition to Woodlawn High School. The Knights proved to uphold their spirit by producing a 9-2-1 record and reaching the state semi-finals.

Jimmy Kile, Denzil Blount, James Bennett, Rodney Procell, Mike Allen, Rickey Wells, and Coach Lowell Morrison received All-District honors. All-City players included Rodney Poland, Rodney Procell, James Bennett, and Denzil Blount.

One thing that can be said of the 1976 Woodlawn Knights is that the Twelfth Man was and always will be alive and well.

WHS 14

The Knights opening game against the Gators was marked by defensive breaks on both sides. Defensive end Rodney Procell turned the first play of the game into a TD for the Knights by recovering a fumble and running 82 yards for the score. Despite an early 14-0 lead, the Gators came back to win 21-14.

WHS 20

The Knights capped their first victory of the season with a 20-14 win over the Lions. After an open week the Knights brought the spirit to a final-minute win. Rodney Poland connected with Jody Blackwell in the last 53 seconds to capture the win.

WHS 24

The game between the Knights and the LaGrange Gators of Lake Charles was completely dominated by WHS as Rickey Wells scored three touchdowns. Paul Moreau recovered a fumble to set up a 34-yard touchdown drive.

WHS 14

The Knights brought home to the Castle their third win of the season defeating the Vikings 14-6. Leading rusher in the game was Phillip Jones. James Pritchard scored when quarterback Rodney Poland connected with him to give the Knights a 14-0 halftime lead. The Vikings scored in the fourth quarter on a blocked punt.

WHS 26

The second daytime game in the school's history again produced a win. Knights dominated the 26-6 homecoming victory on a cold, wet afternoon. The game was highlighted by turnovers on both sides with WHS capitalizing on most of the turnovers. The outstanding player was Rodney Procell who

Captain Shreve 21

recovered two fumbles that produced scores.

WHS 21

Byrd 0  
Woodlawn posted its second district win in 1-AAAA over the Yellow Jackets, 21-0. The leading offensive player was James Bennett with three receptions for 79 yards. Lou Youngblood rushed for 152 yards. The defensive star was the entire defensive unit who held Byrd to a shutout.

WHS 14

Fair Park 3  
Despite cold and rainy weather, the Knights captured a come-from-behind victory over Fair Park 14-3. The Indians kicked a 27-yard field goal to lead in the game.

Quarterback Rodney Poland tossed two touchdown passes to Charles Meyers and James Bennett as the Knights rallied to a 14-3 score, Fair Park's first district loss since 1973.

WHS 21

Huntington 0  
Poland made a spectacular showing as the Knights defeated the Raiders with a crucial win of 21-0. Rodney completed 21 of 29 passes for 250 yards and two touchdowns. Meyers caught a 6-yard pass giving the Knights a 7-0 lead at the half. James Bennett and Rickey Wells captured the final two scores of the game.

WHS 22

Southwood 22  
The greatest game ever played between the two south Shreveport rivals resulted in a 22-22 tie with Woodlawn coming out on top on first downs.

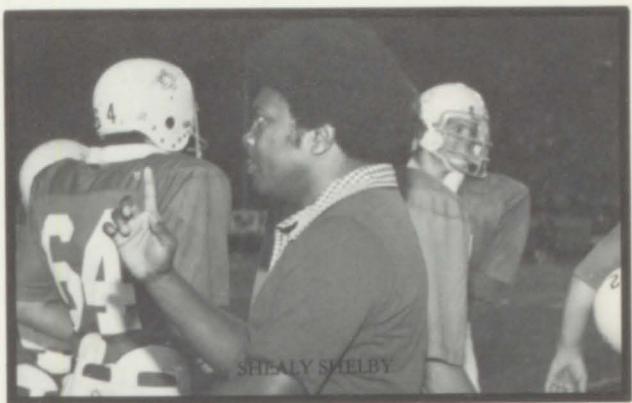

Knights dominated the rushing totals with 121 yards from Ricky Wells. WHS had a total of 200 yards rushing for the game.

Because of the first-down edge, the Knights represented District 1-AAAA as the first-place team in playoff competition.

WHS 12

Knights, after another week off, conquered the Bearcats 12-0 in a regional playoff game. The first touchdown came on a 35-yard pass to Bennett from Rodney Poland. The second was on an 18-yard run by Lou Youngblood. The defense was to be commended for its ability to shut out the powerful Bearcats.

WHS 21

The Knights were again victors; this time over the Spartans from East Ascension. The score was 21-12 in the quarter-final playoff game. The Bennett-Poland combination connected on passes of 14 yards, 2 yards, and 2 yards respectively for touchdowns. The defense also did its job by capitalizing on the Spartan mistakes. The Knights reached the semi-finals as one of the top four teams in the state.

WHS 21

The semi-final playoff game ended in sorrow for the Woodlawn Knights with a 21-28 loss. With the passing of Rodney Poland Woodlawn quickly gained a 21-0 lead. After a 21-6 lead at halftime, the Knights, overpowered physically, were downed 28-21. Ending the season with a 9-2-1 record, Woodlawn proved that the "little people" could play football.

# Diamondmen Display Sportsmanship

The 1976 Woodlawn baseball team was led through an action-filled season by new head coach Eric Johnson. Wins and losses dotted the season, but through it all the Knights had strong determination and faith.

Hours of practice were given by the team members to prove that "practice makes perfect."

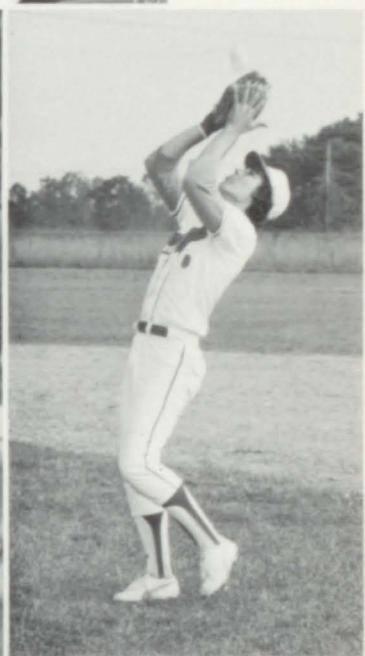

Junior Dale Seekford headed the team as the Knights' pitcher. Throughout the season the team worked vigorously at improving their skills; and despite the losses, they were not undaunted in their efforts.

As Woodlawn's new tennis coach, Mrs. Susan Robinson spent many hours instructing and preparing the team for the matches ahead. As a highlight to the year, the WHS netters defeated Booker T. Washington twice in the same season.

Making a comeback after an absence of six years, the golf team added a new and different touch to the athletics at Woodlawn.

### Legend of the Knight

Since medieval times, the Knight has represented honor, valor, loyalty, and chivalry. His shining armor was worn with pride. Each piece of it had a symbolic meaning. The golden spurs symbolized diligence. The spear, truth and strength; the helmet suggested modesty. The shield protected the Knight's body so he in turn used his own body as a shield to protect his lord. The sword represented protection of the helpless. The Knight's charging horse, carrying him to battle, was his tireless and devoted friend. In tournaments his courage, athletic ability, and sportsmanship were always evident as he fought to win honors for his favorite lady.

Though formal Knighthood is no longer in existence, the qualities that it represented are as applicable today as they were in the Middle Ages. These objectives of Knighthood respect for church, truth, bravery, obedience, courtesy, service, sports participation, aid to others, and a spirit of known chivalry should be incorporated by the students into their very being. When these things have become a part of their lives and actions, they will be prepared to accept with pride the accolade given as the final preparation for Knighthood. Then, they will be ready to accept the charge, "Be brave, ready, and loyal," as they officially become Knights of Woodlawn.

### Legend of The Knight

Since medieval times, the Knight has represented honor, valor, loyalty and chivalry. His shining armor was worn with pride. Each piece of it had a symbolic meaning. The golden spurs symbolized diligence. The spear, truth and strength; the helmet suggested modesty. The shield protected the Knight's body so he in turn used his own body as a shield to protect his lord. The sword represented protection of the弱者. The Knight's charging horse, carrying him to battle, was his tireless and devoted friend. In tournaments, his courage, athletic ability, and sportsmanship were always evident as he fought to win honors for his favorite lady.

Though formal Knighthood is no longer in existence, the qualities that it represented are as applicable today as they were in the Middle Ages. These objectives of Knighthood respect for church, truth, bravery, obedience, courtesy, service, sports participation, aid to others, and a quest of knowledge—should be incorporated by the students into their very being. When these things have become a part of their lives and actions, they will be prepared to accept with pride the accolade given as the final preparation for Knighthood. Then, they will be ready to accept the charge, "Be brave, ready, and loyal," as they officially become Knights of Woodlawn.

The staffs of the 1977 ACCOLADE would like to thank the business establishments and clubs who purchased ads for their cooperation in making the publication of this book possible. We hope that you will patronize these businesses in return for their generous support.

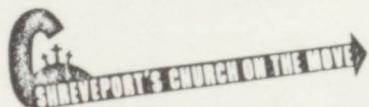

Dear Teenager,

Why walk alone? I want to introduce you to two friends who love you and want you. The first is Jesus! He died a sinner's death on Calvary's cross for you. He wants you to accept Him as your personal Saviour and spend eternity with Him in Heaven. If you do, He promises never to leave you or forsake you! What a Friend!

I also want you to meet Calvary Baptist Church. It truly is a friend to teenagers. Shreveport's most aggressive youth program is here and you can find many opportunities to grow and serve. Jesus Christ and Calvary Baptist Church love you and want you.

# Western Electric

One Bell System. It Works.

When you stop and think about your day-to-day life, you probably spend more time communicating — and being communicated with — than any other single activity.

The textbooks you read, your teachers' classroom presentations and, for that matter, all of education is really just communications. Add to that newspapers and magazines, radio and television, your conversations with friends and the letters you write and we think you'll agree that communication is a big part of your life.

And . . . don't forget the telephone. If you're at all like most students, you probably spend at least an hour each day communicating by telephone with your friends.

Chances are, the telephones you use each day were made right here. The Shreveport Works makes over five million a year for South Central Bell and the other Bell System telephone companies. Bell Laboratories designs them. We build them. The Bell telephone companies install and keep them working. We're all part of a team — the Bell System team — working together to bring you and your friends the best in telephones and telephone service.

Content Thanks

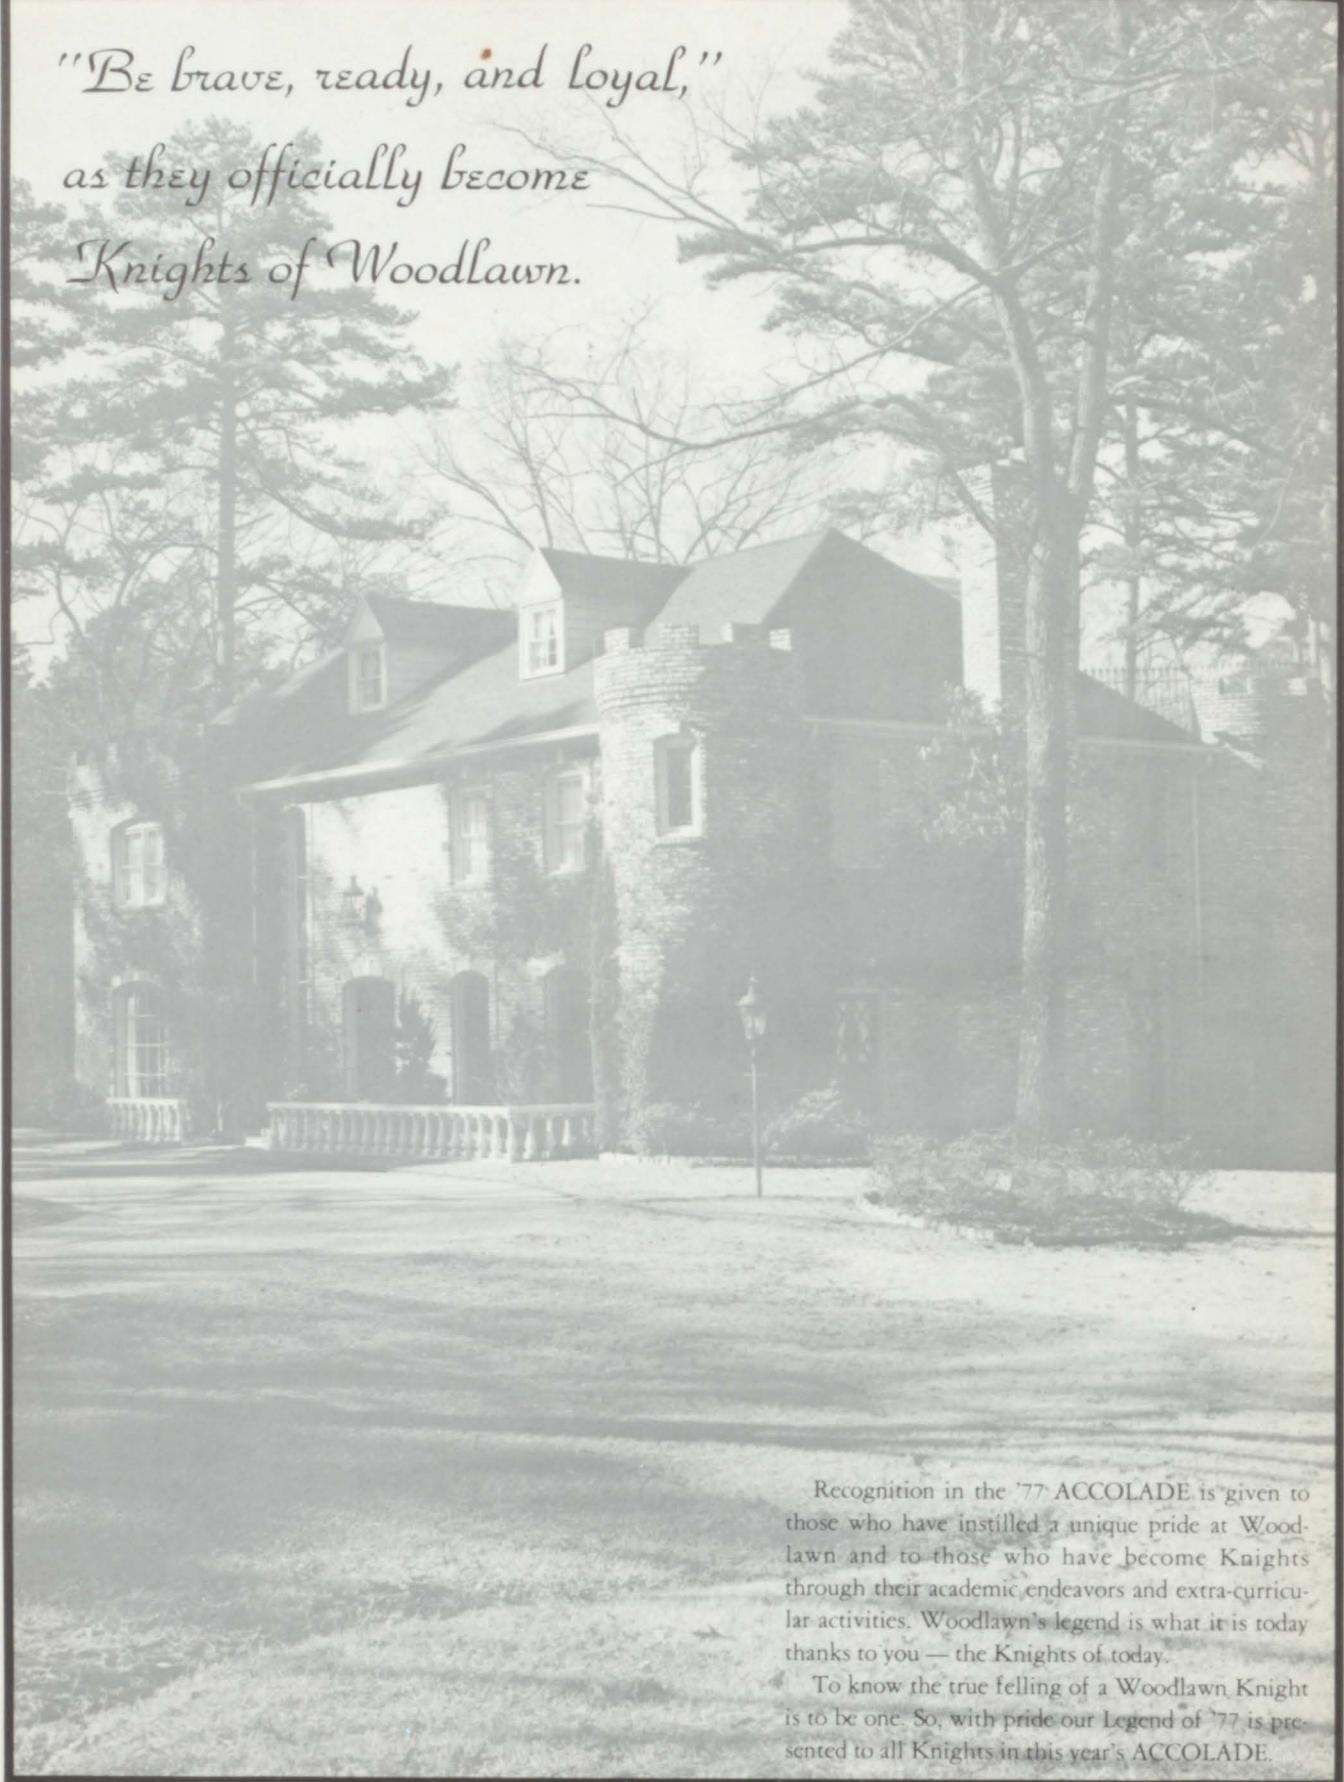

As Editor-in-Chief of the 1977 ACCOLADE, I would like to extend thanks to Drummond's Studios for having so much patience with the staff, to Mrs. Jeanette Collins and the ad staff for their determination and financial support, and to the faculty members, office personnel, and custodial staff for understanding the many inconveniences we caused you.

Special thanks must go to Mrs. Elaine White for coming on campus to help with the typing when we got in "occasional" binds, the '77 yearbook staff for a job well done, and Rhonda Kinley, assistant editor, for agreeing with my ideas — always. And finally to Miss Linda Loper for putting up with us, for help, help, and more help, and for taking yearbook, loving it, and giving it and us her all.

*Diane Neal  
Editor*

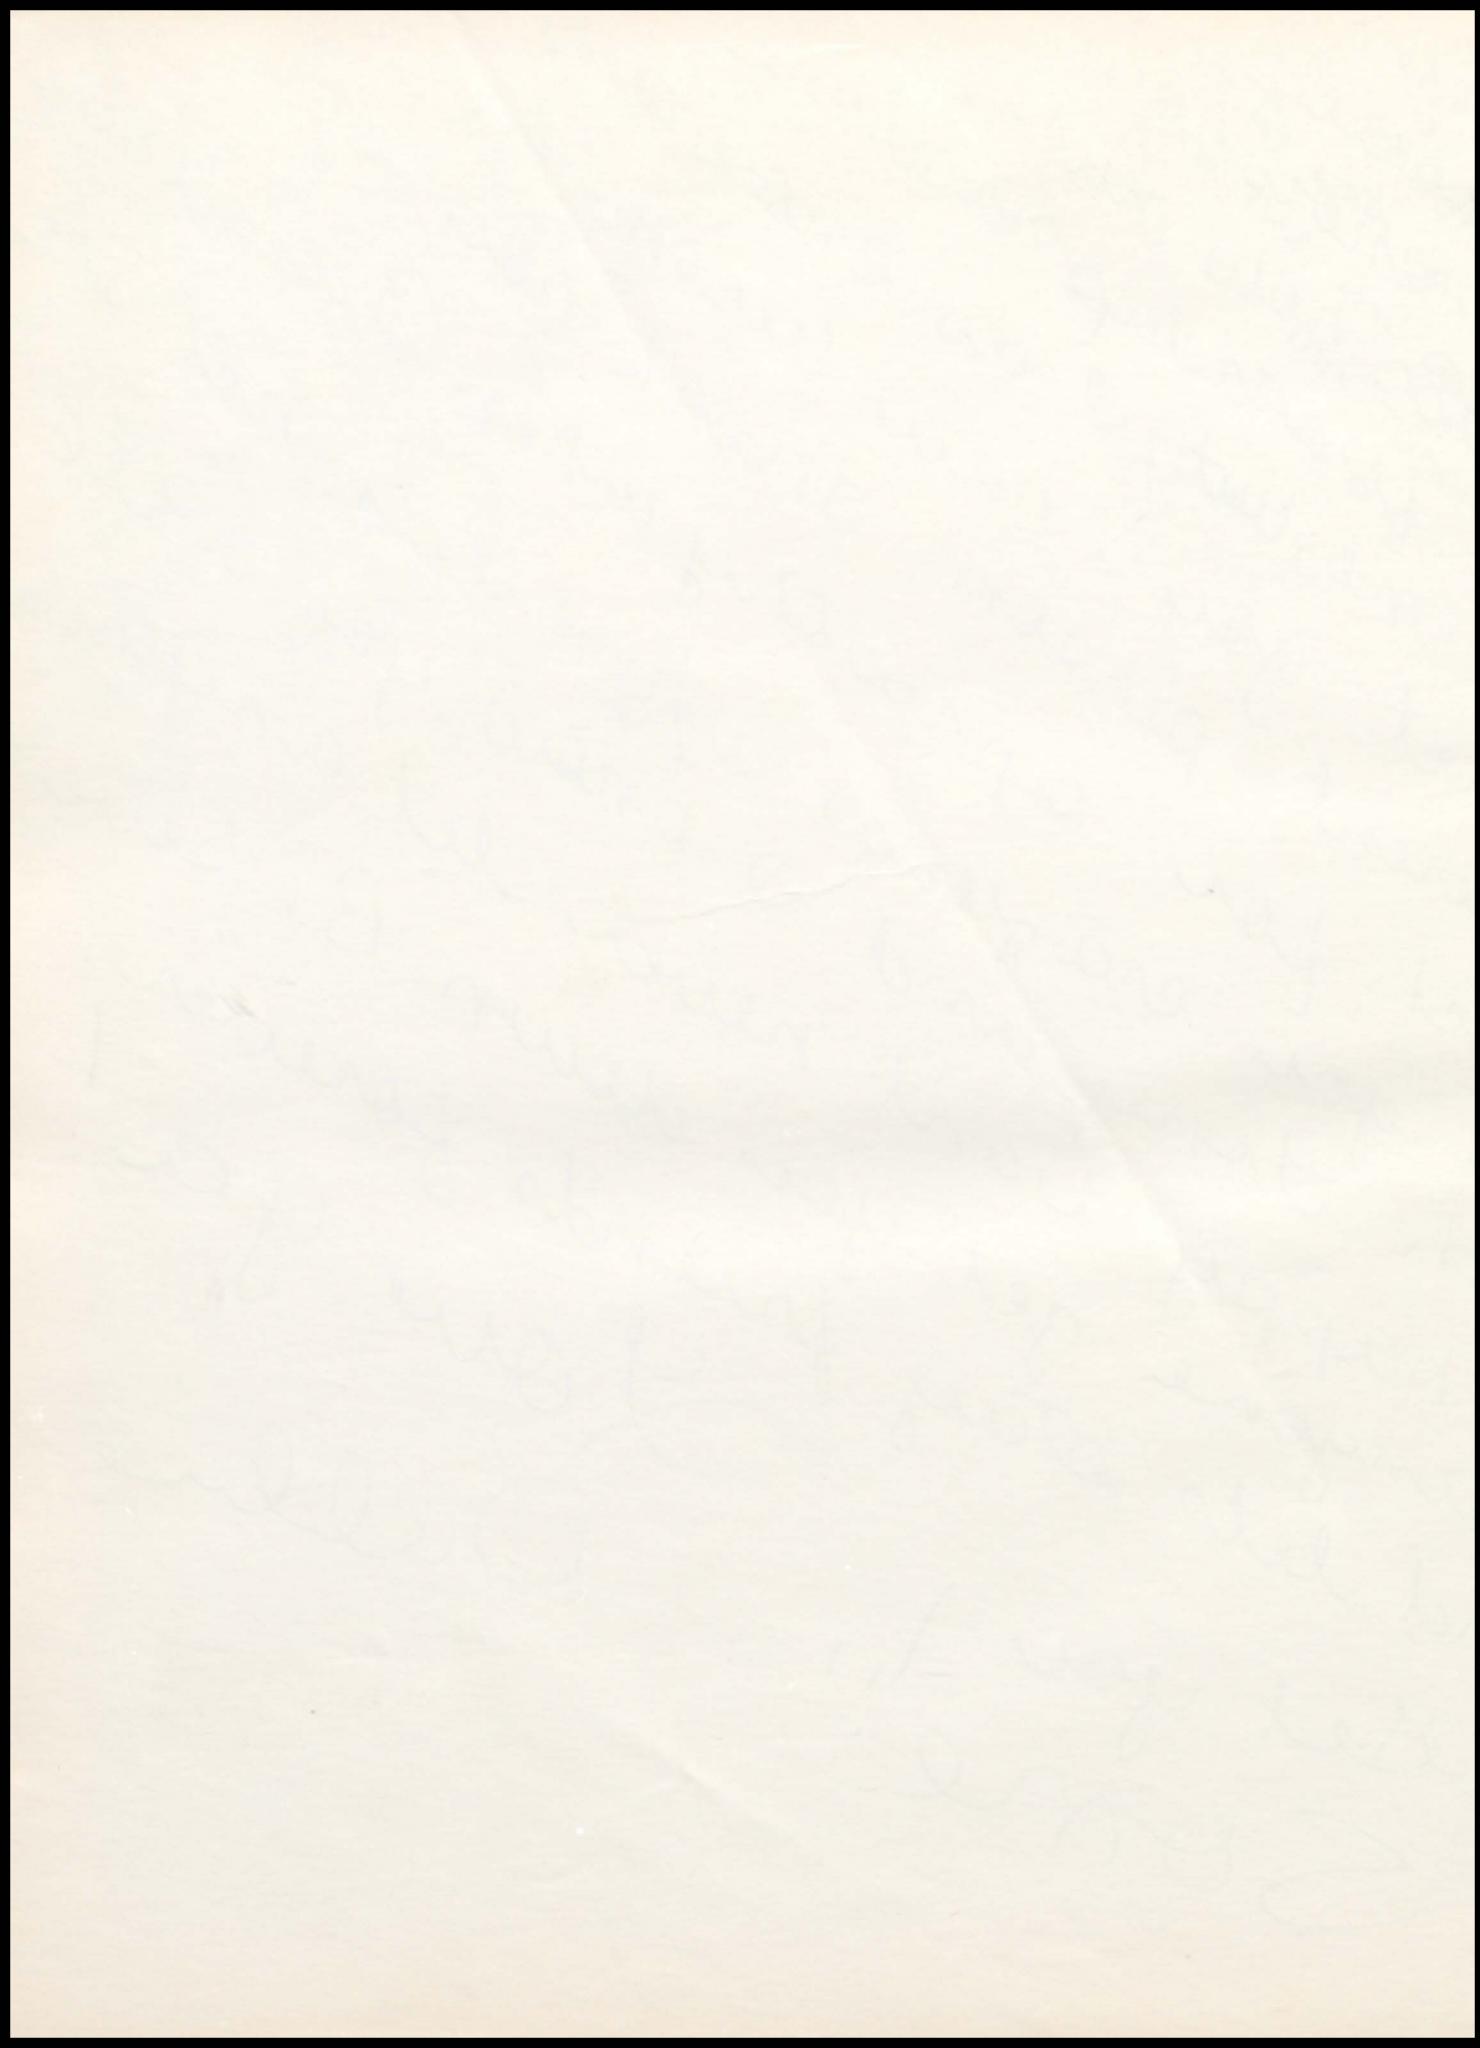

*"Be brave, ready, and loyal,"*  
*as they officially become*  
*Knights of Woodlawn.*

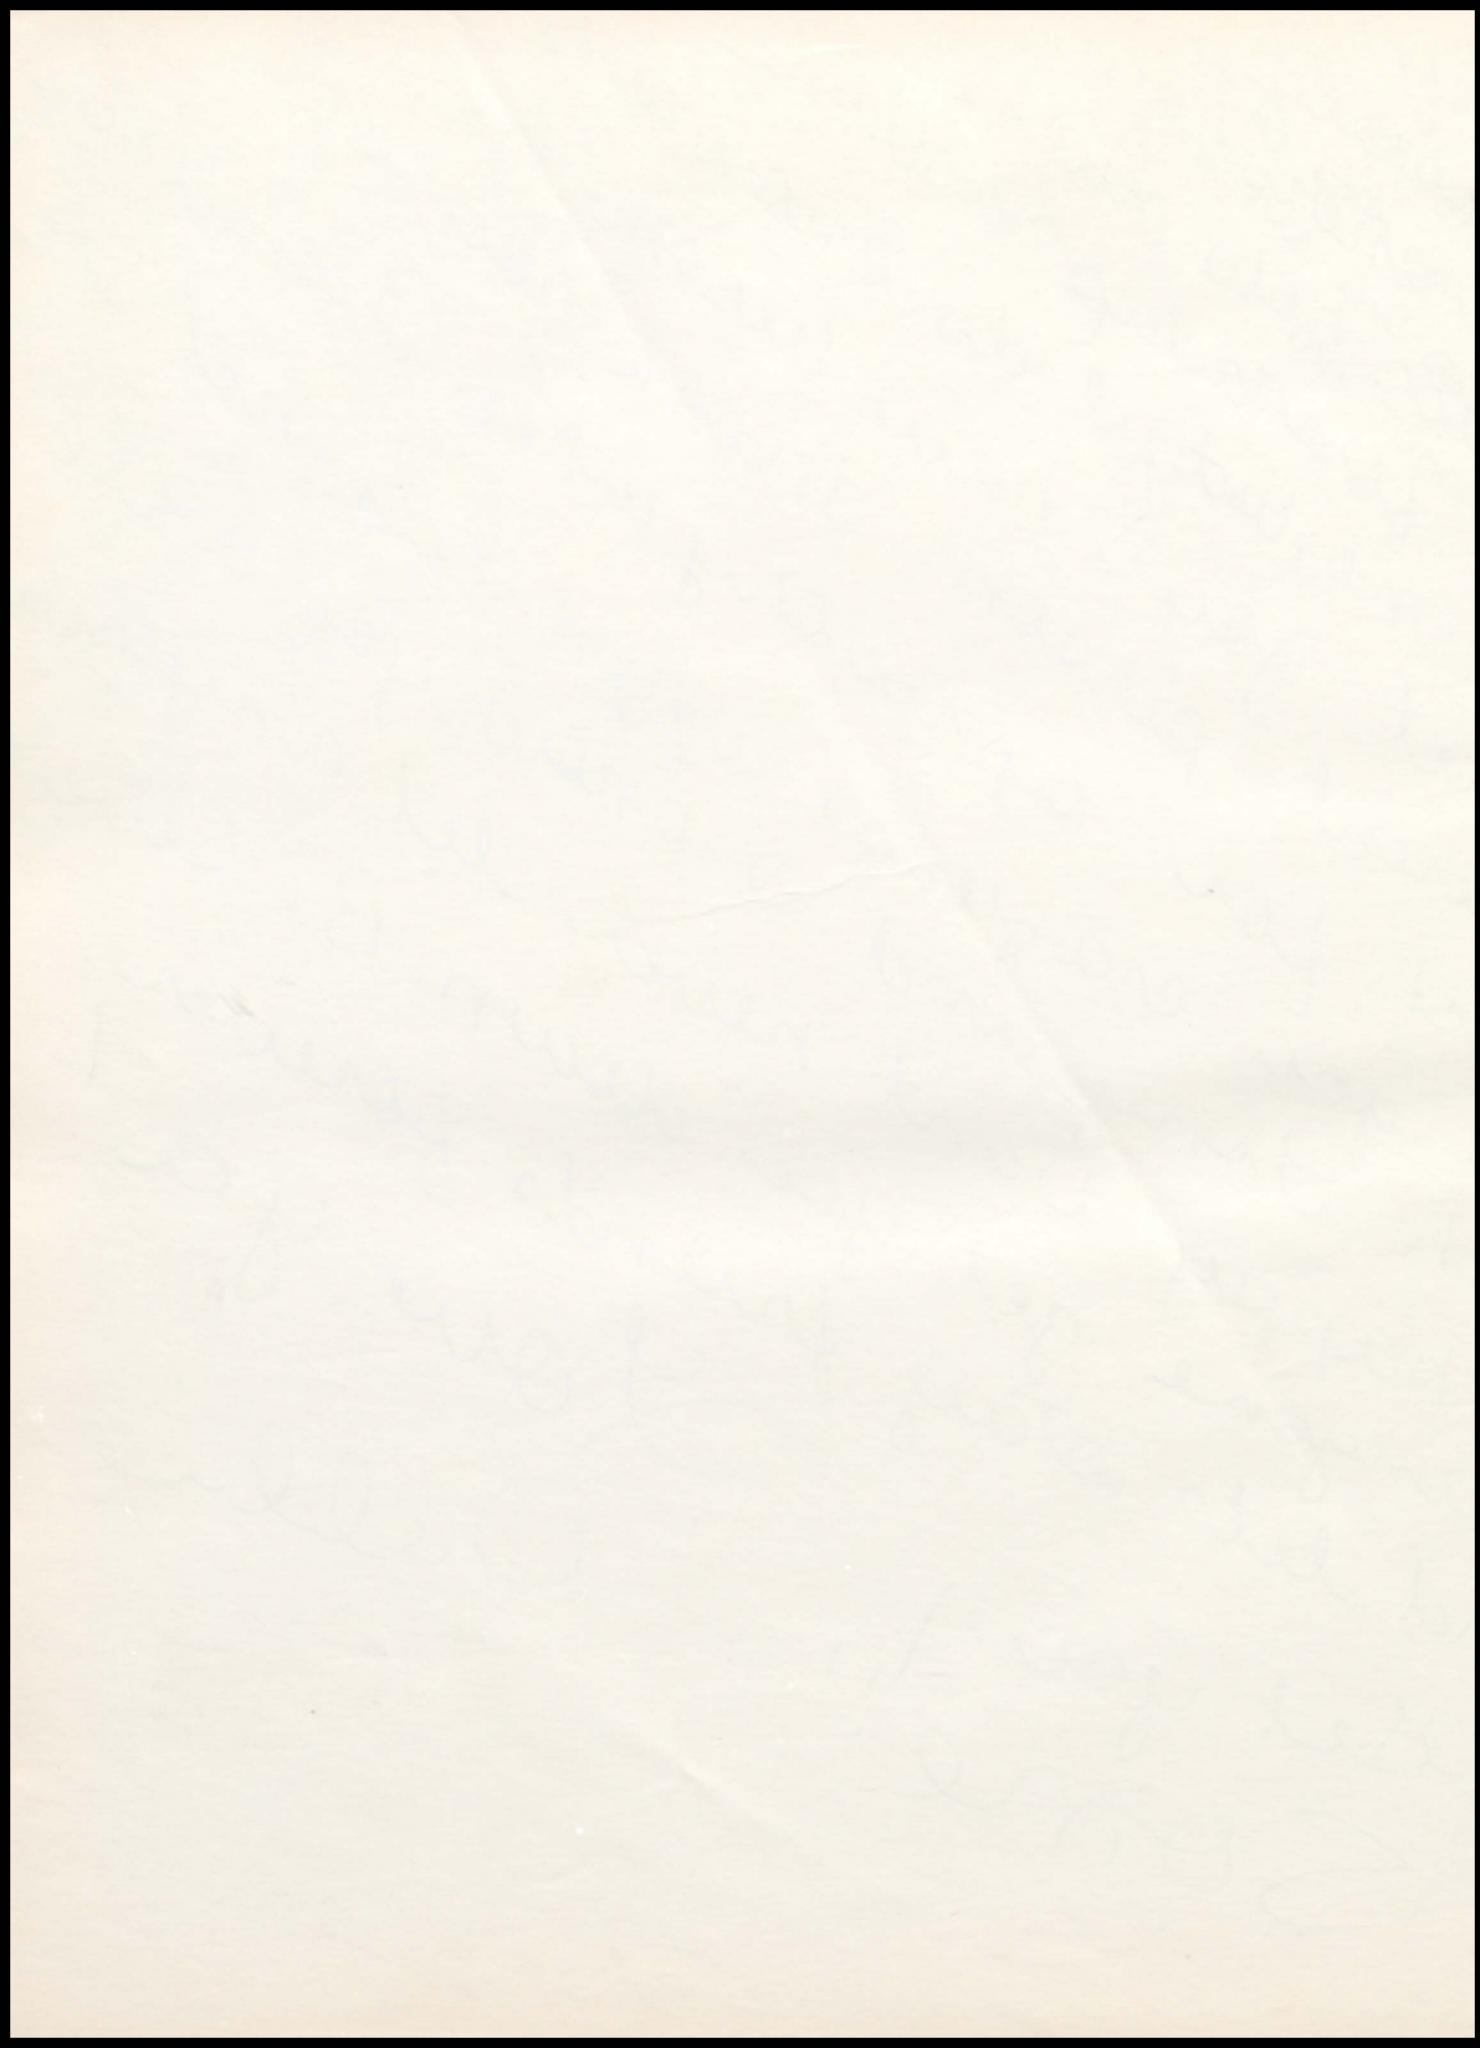

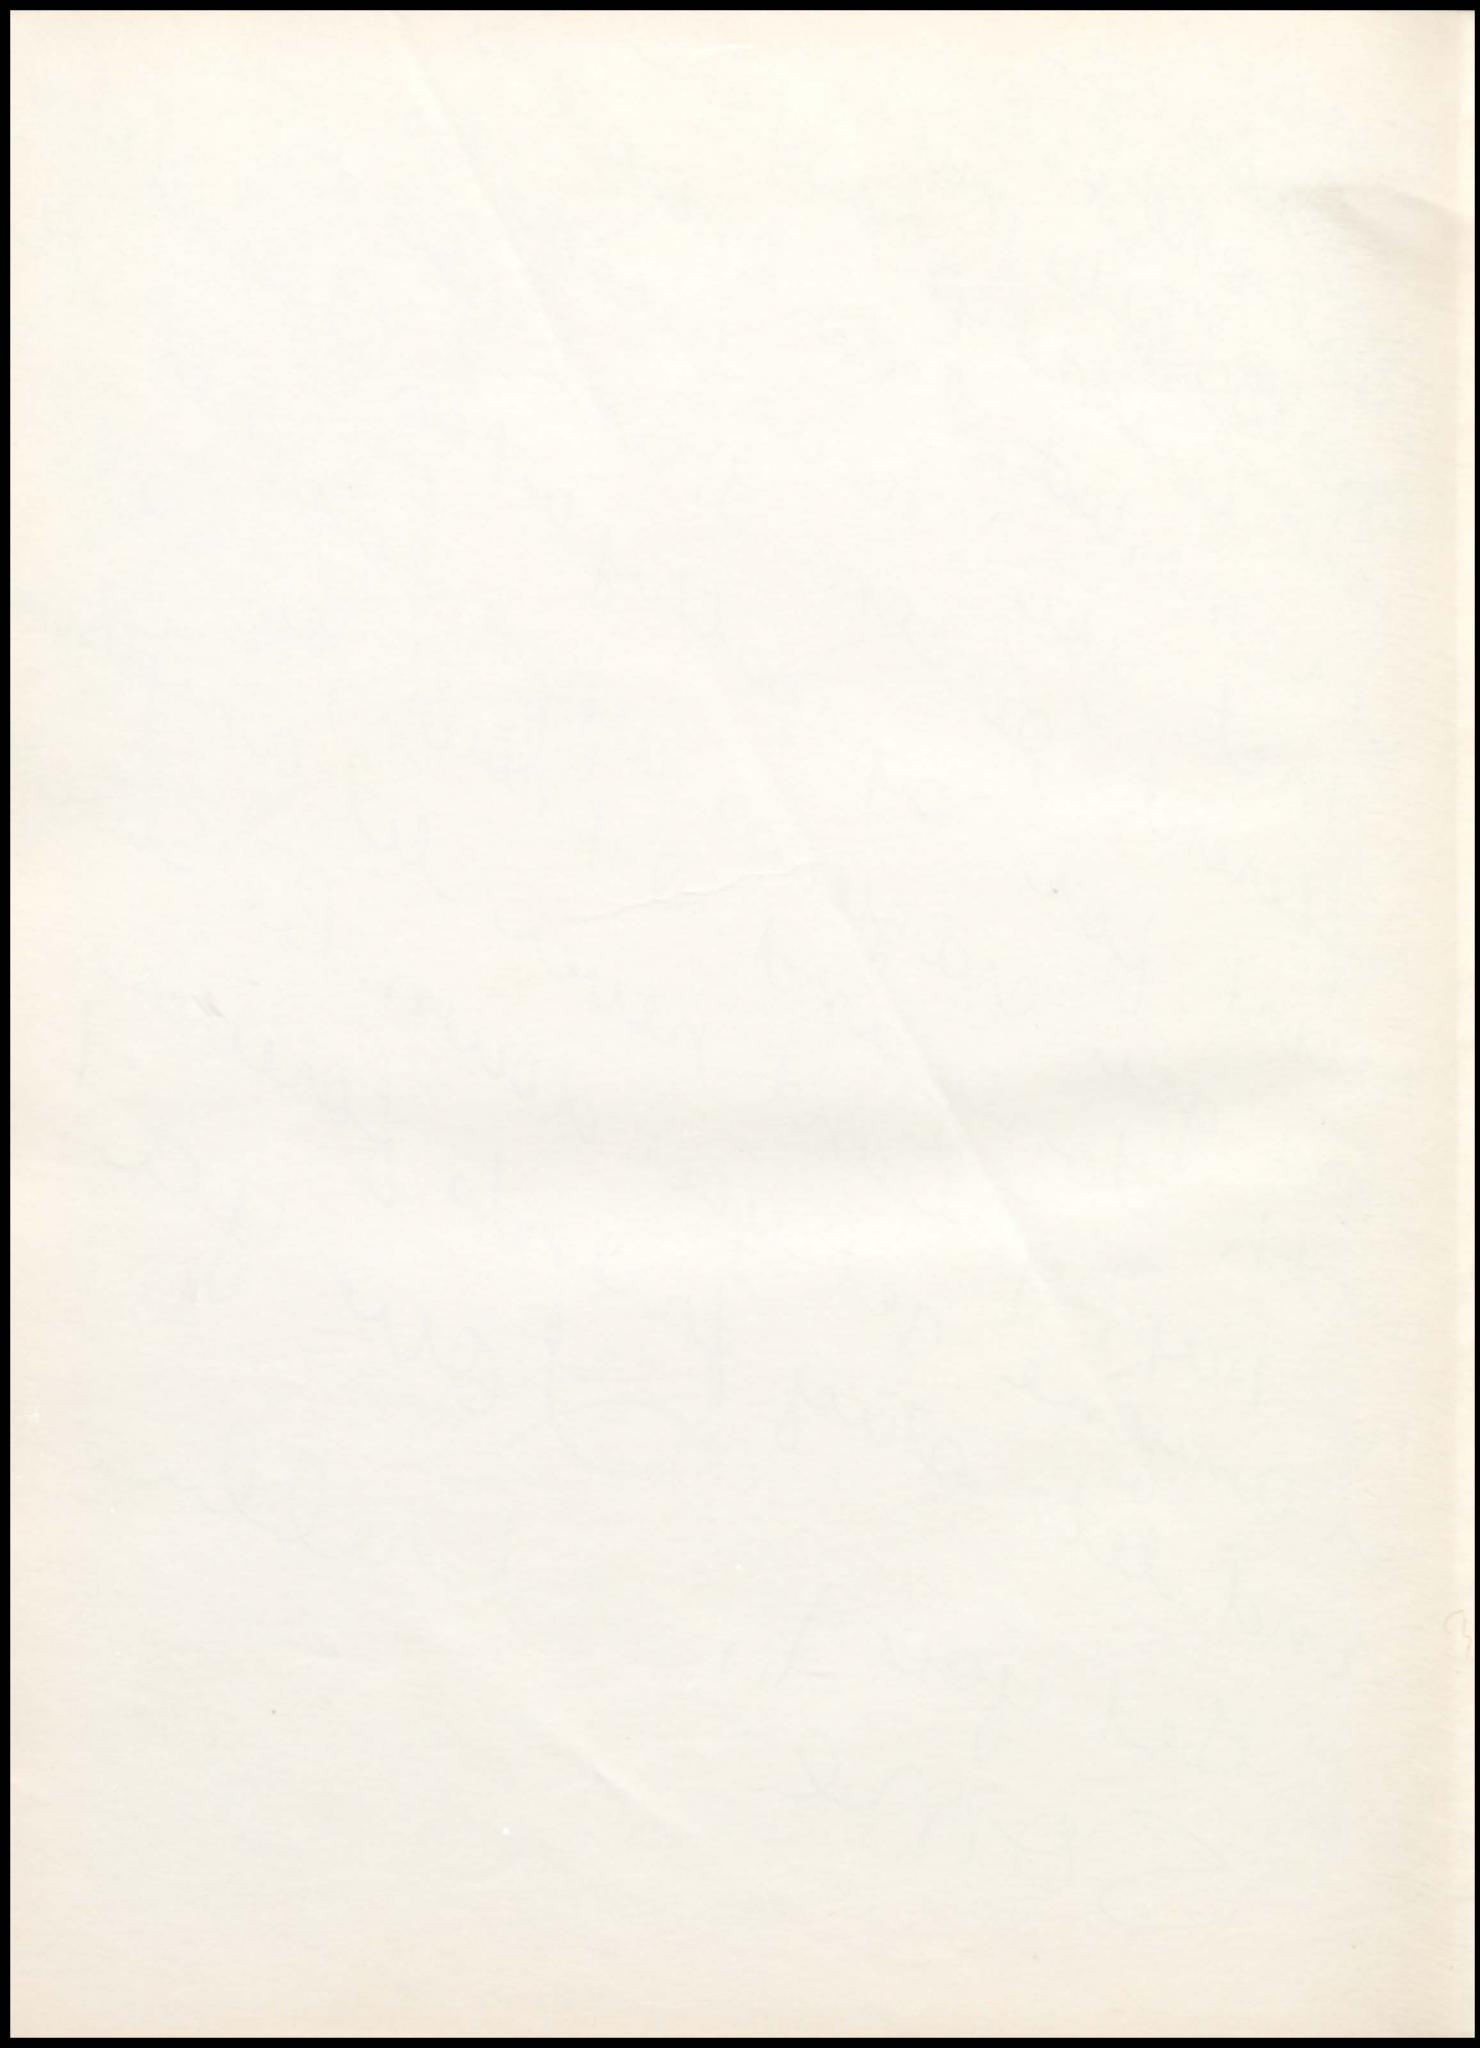

Recognition in the '77 ACCOLADE is given to those who have instilled a unique pride at Woodlawn and to those who have become Knights through their academic endeavors and extra-curricular activities. Woodlawn's legend is what it is today thanks to you — the Knights of today.

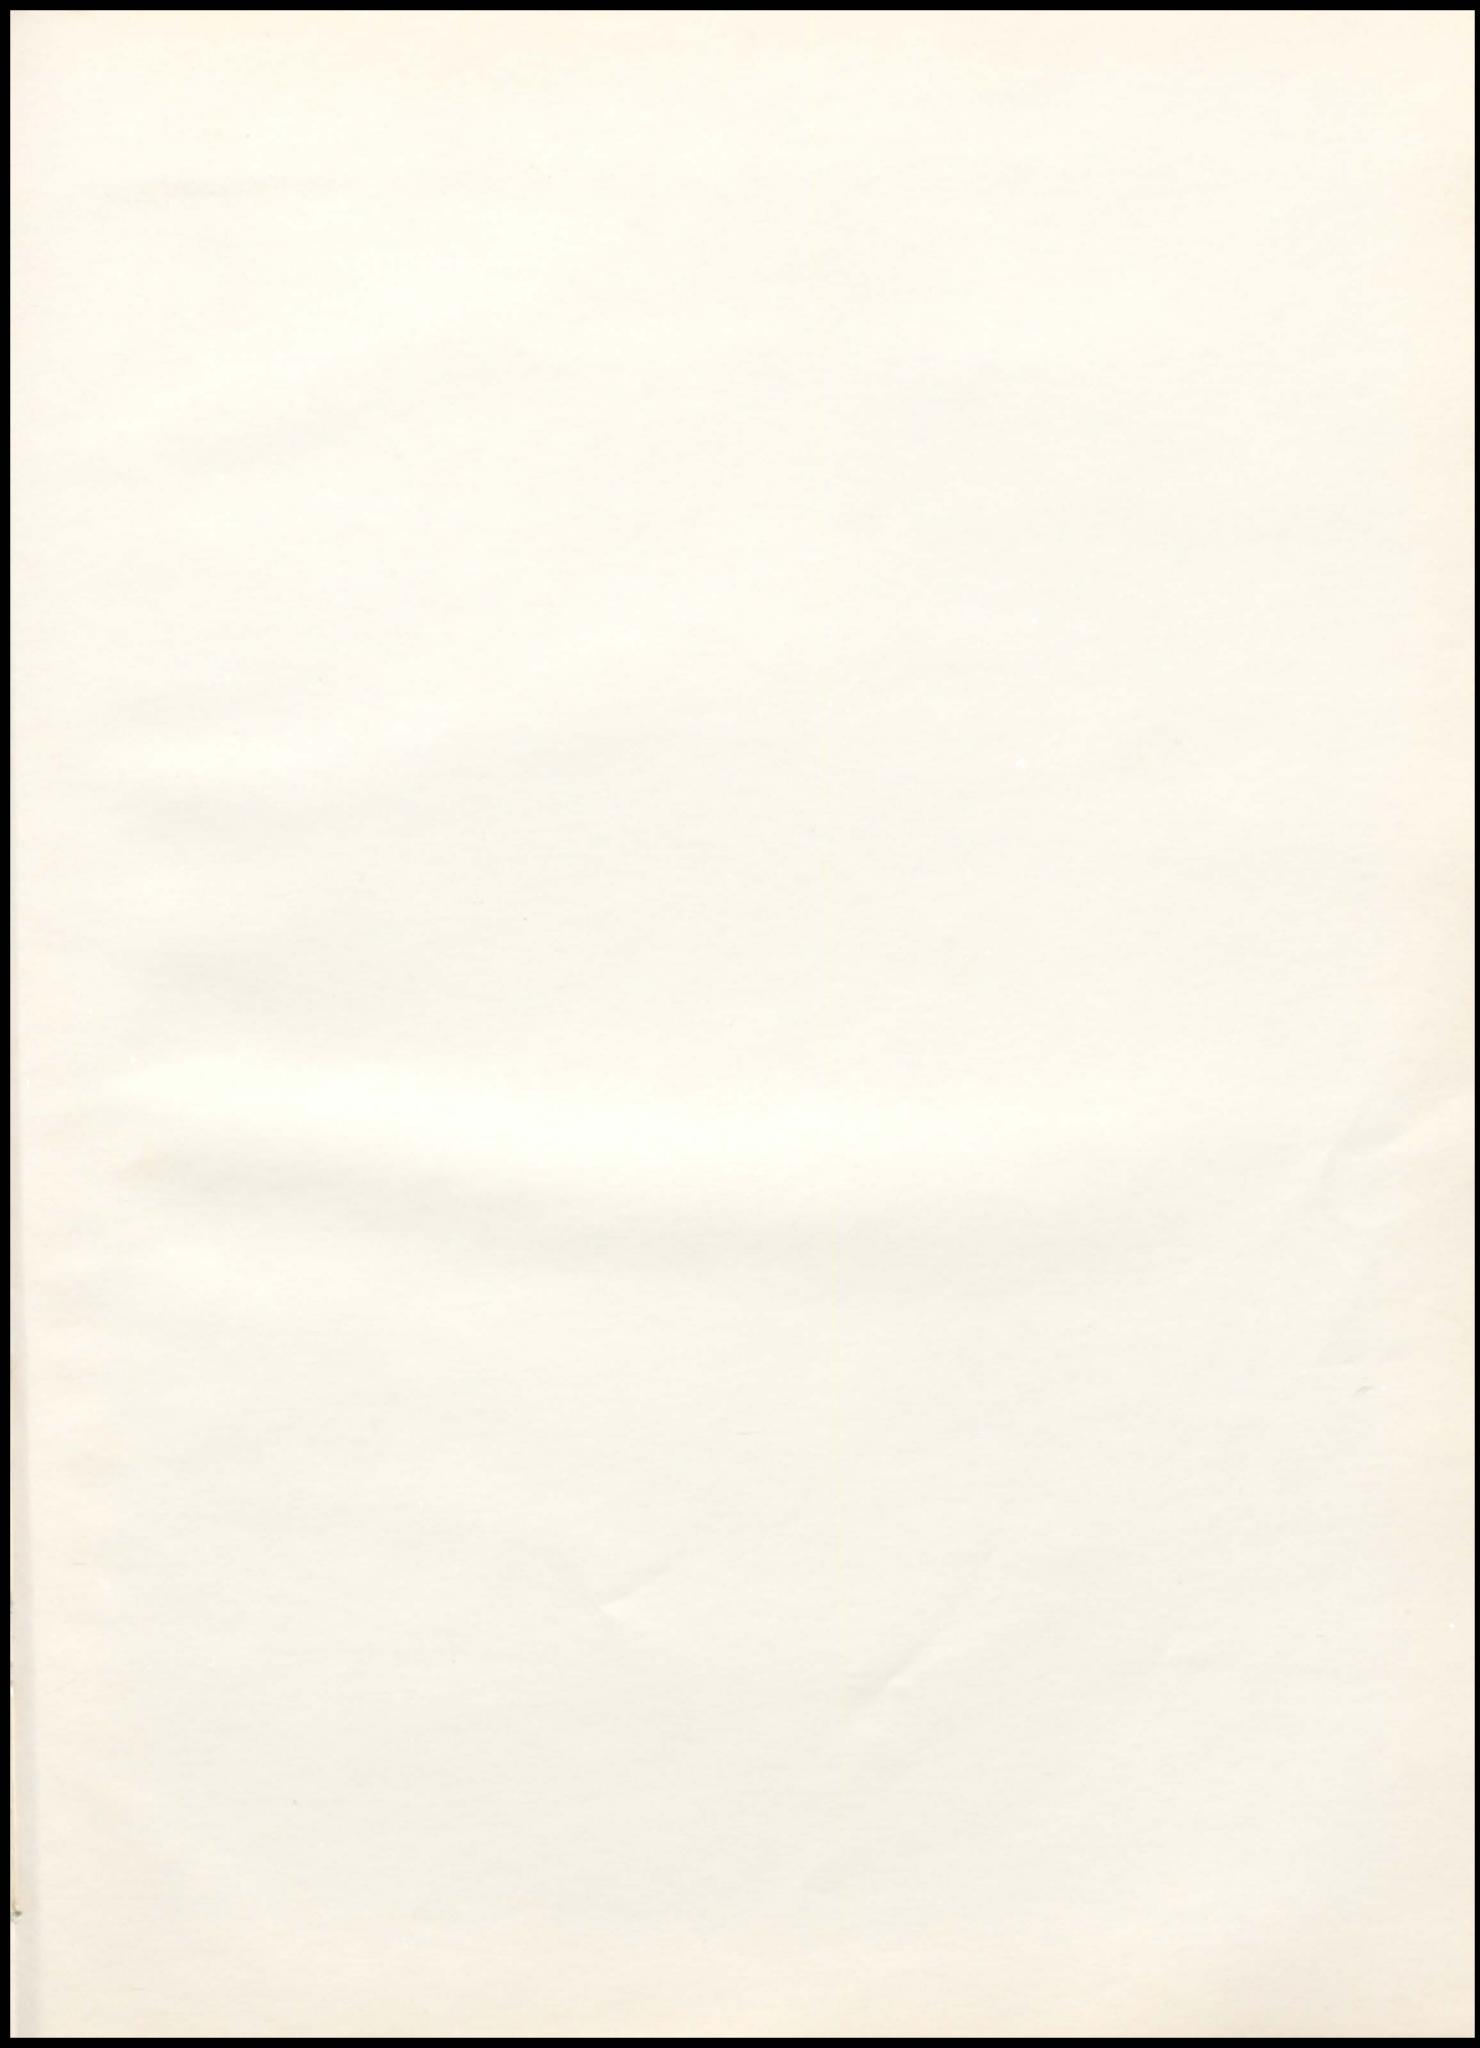

To know the true feeling of a Woodlawn Knight is to be one. So, with pride our Legend of '77 is presented to all Knights in this year's ACCOLADE.
